### "Leave Your Lover"

I don't have much to give, but I don't care for gold  
What use is money, when you need someone to hold?  
Don't have direction, I'm just rolling down this road  
Waiting for you to bring me in from out the cold

You'll never know the endless nights, the rhyming of the rain,  
Or how it feels to fall behind and watch you call his name

Pack up and leave everything,  
Don't you see what I can bring  
Can't keep this beating heart at bay  
Set my midnight sorrow free,

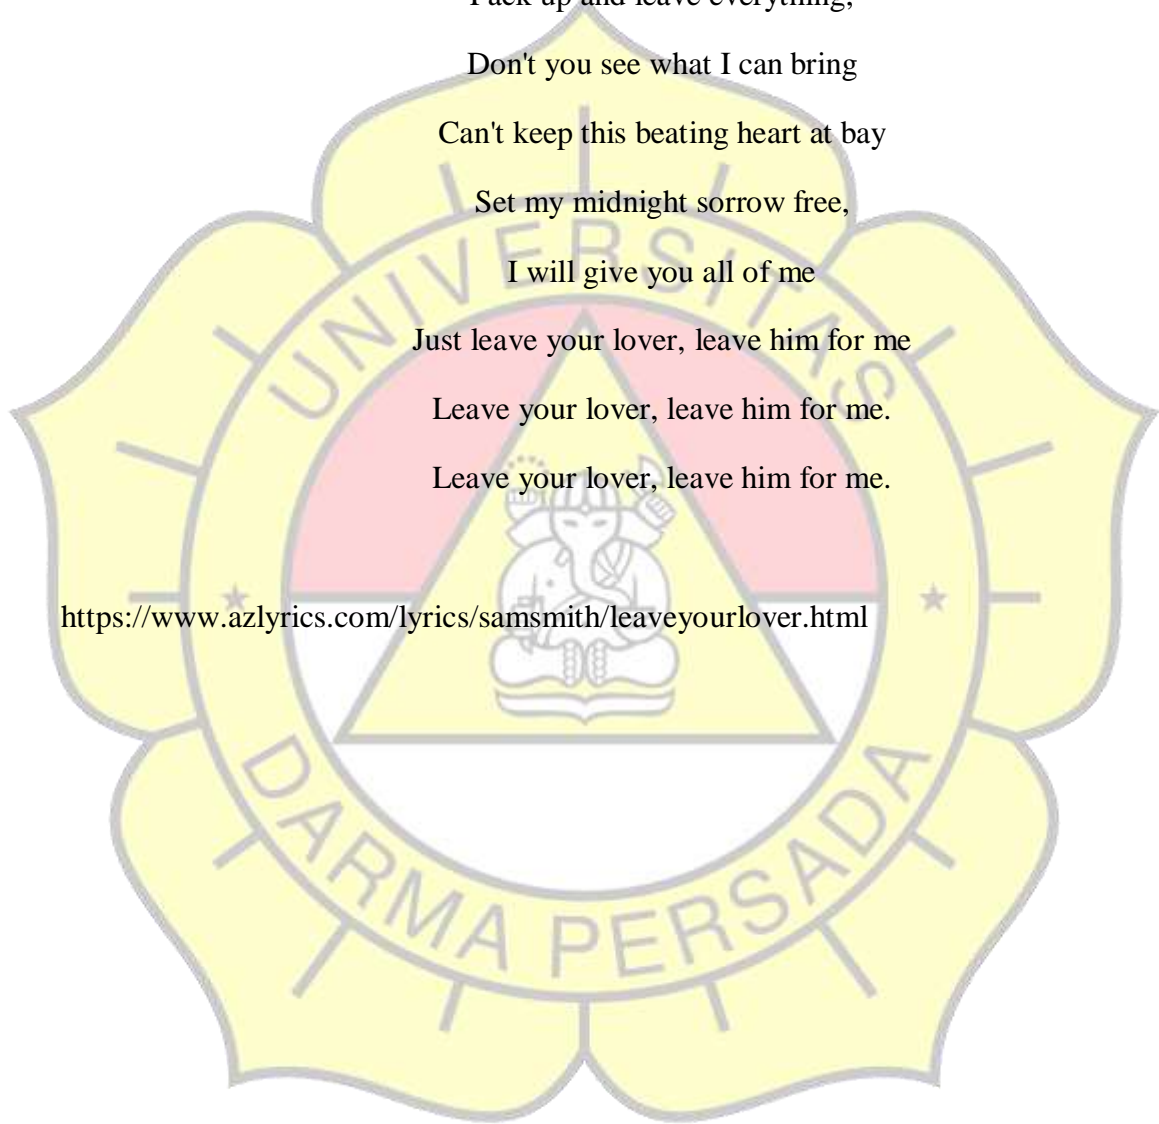

I will give you all of me  
Just leave your lover, leave him for me.  
Leave your lover, leave him for me.

We sit in bars and raise our drinks to growing old  
Oh, I'm in love with you and you will never know,  
But if I can't have you I'll walk this life alone,  
Spare you the rising storms and let the rivers flow

You'll never know the endless nights, the rhyming of the rain  
Or how it feels to fall behind and watch you call his name

Pack up and leave everything,  
Don't you see what I can bring  
Can't keep this beating heart at bay  
Set my midnight sorrow free,  
I will give you all of me  
Just leave your lover, leave him for me  
Leave your lover, leave him for me.  
Leave your lover, leave him for me.

## "Burning"

I've been burning Yes,  
I've been burning Such  
a burden  
This flame on my chest  
No insurance to pay for the damage  
Yeah, I've been burning up since you left

I've been smoking, oh  
More than twenty a day  
Blame it on rebellion  
Don't blame it on me  
Wish I was younger  
Back to the nineteenth of May  
I had an open mind  
Swore to never change

Funny how time goes by  
Had respect for myself  
That river ran dry  
You reached a limit  
I wasn't enough  
It's like the fire replaced all the love

I've been burning Yes,  
I've been burning Such  
a burden  
This flame on my chest  
No insurance to pay for the damage

Yeah, I've been burning up since you left

Oh, if you ever called  
I would run straight back  
Give you my forgiveness  
And the shirt off my back  
No friends to turn to  
Yeah, I messed up that  
Wish we could smoke again  
Just for a day, oh  
Funny how time goes by  
Had respect for myself  
That river ran dry  
You reached a limit  
I wasn't enough  
And it's like the fire replaced all the love  
I've been burning Yes,  
I've been burning Such  
a burden  
This flame on my chest  
No insurance to pay for the damage  
Yeah, I've been burning up since you left  
Yeah, I've been burning up since you left  
Oh, I've been burning up since you left

## "Nothing Left For You"

Maybe I'm done  
Maybe it's true Maybe I  
had one chance And I  
lost it with you We fell  
so hard  
With nothing to lose  
I'll never love again  
I'll never love you  
'Cause I gave  
My heart  
To a goddamn fool  
I gave him everything  
Now there's nothing left for you  
'Cause I gave  
My heart  
To a goddamn fool  
I lost everything  
Now I have nothing left for you  
I have nothing left for you  
I can't pretend  
Pretend that I care  
I see how you look at me  
But I am not there  
The damage is done  
I'll save you the time  
And if there are feelings there

They are not mine

'Cause I gave

My heart

To a goddamn fool

I gave him everything

Now there's nothing left for you

'Cause I gave

My heart

To a goddamn fool

I lost everything

And I have nothing left for you

Oh, I have nothing left for you

No

You won't hear me say those words again

This is something that you cannot mend

Can't you see I am a product of my own past

So I know this will never last

And I will not cover your fears

I will not pick up your tears

I'll live out the rest of my days alone

'Cause I gave

My heart

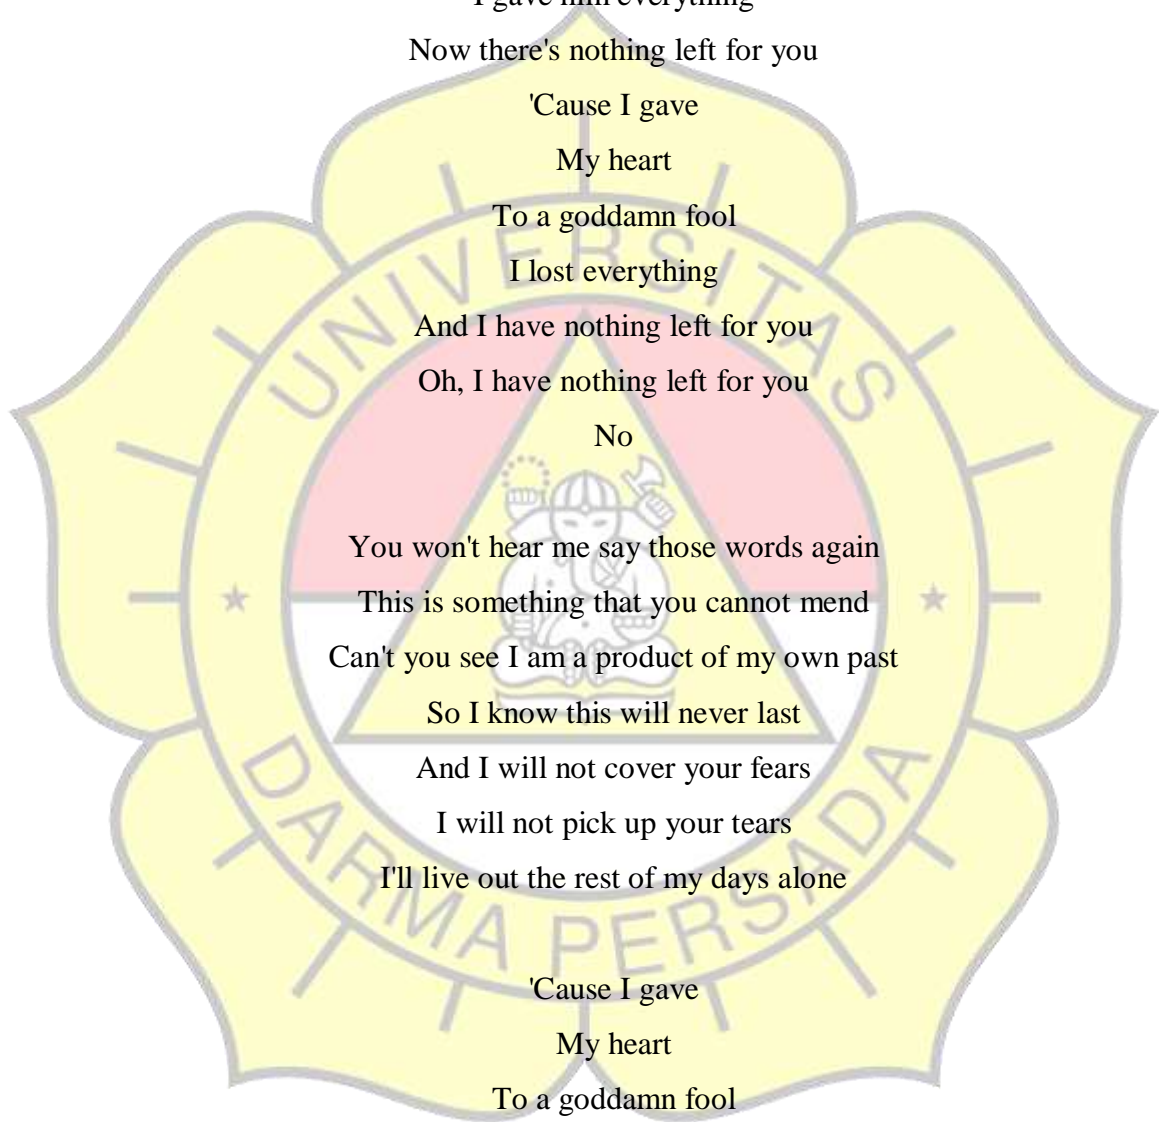

To a goddamn fool

I gave him everything

Now there's nothing left for you

'Cause I gave

My heart

To a goddamn fool  
I lost everything  
And I have nothing left for you

## "Pray"

I'm young and I'm foolish, I've made bad decisions  
I block out the news, turn my back on religion  
Don't have no degree, I'm somewhat naïve  
I've made it this far on my own

But lately, that shit ain't been getting me higher  
I lift up my head and the world is on fire  
There's dread in my heart and fear in my bones  
And I just don't know what to say

Maybe I'll pray, pray  
Maybe I'll pray  
I have never believed in you, no, but I'm gonna pray  
You won't find me in church (no!) reading the Bible (no!)  
I am still here and I'm still your disciple  
I'm down on my knees, I'm begging you please  
I'm broken, alone, and afraid

I'm not a saint, I'm more of a sinner  
I don't wanna lose, but I fear for the winners  
When I try to explain, the words run away  
That's why I am stood here today

And I'm gonna pray (Lord), pray (Lord)  
Maybe I'll pray, pray for a glimmer of hope  
Maybe I'll pray (Lord), pray (Lord)

Maybe I'll pray  
I've never believed in you, no, but I'm gonna

Won't you call me?  
Can we have a one-on-one, please?

Let's talk about freedom  
Everyone prays in the end  
Everyone prays in the end

Won't you call me?  
Can we have a one-on-one, please?

Let's talk about freedom  
Everyone prays in the end  
Everyone prays in the end

Oh, I'm gonna pray, I'm gonna pray  
I'm gonna pray, pray for a glimmer of hope  
Maybe I'll pray, pray

Maybe I'll pray  
I've never believed in you, no, but I'm gonna pray

DARMA PERSADA UNIVERSITY

### BACKGROUND:

Emotion is a natural reaction that everyone has. This reaction arises from the influence of both inside and outside. Emotions in psychology include all types of feelings experienced by a person, ranging from feelings of anger, sadness, happiness, fear, and so on. Emotions have an important part in life, because emotions show the self expression of a human being in interacting with their social groups. Compared with other forms of copyright with other literary, poetry is the most difficult to understand. The existence of poetry is closely related to daily life, poetry expresses the thoughts that evoke feelings, which stimulate the imagination of the senses in a rhythmic composition. With the similarities between the elements of poetry and song lyrics, it can be understood that the lyrics of the song is also known as poetry. In this research, the writer chooses songs by Sam Smith *Leave You Lover*, *Burning*, *Nothing Left For You* and *Pray*. The writer wants to analyze these songs using The Theory of Poetry Studies and The Concept of Emotion: Sadness from Izard's and Gross' to know the meaning of Sadness in the songs.

### FRAMEWORK OF THEORIES:

Izard's Theory:

- Despair
- Regret
- Disappointment

Gross's Theory:

- Verbal Expression
- Nonverbal Expression

### METHOD OF THE RESEARCH:

The research was conducted through a qualitative approach with a simple analysis of the songs. The writer analyzes the meaning of sadness that contain in the songs to know the meaning of sadness that leads to despair, regret, and disappointment to be conveyed through the concept of emotion:

### RESULT OF THE RESEARCH:

The result of this term paper is sadness-theme songs that create by Sam Smith and mostly leads to despair, regret, and disappointment because from the above explanation the weiter can summarize that Sam Smith inspired by his personal experience to create songs. He also wants to voice the feelings of his people (LGBT) through the songs he created. Most of the causes of sadness in Sam Smith's song are about being left behind by a lover or disappointment because
