

## CHAPTER 4

### CONCLUSION

In the end of the chapter, the researcher draws that politeness strategy have some factors to influence the reader to know about the politeness of the movie or film. The reader not only watch the movie and enjoy with the story or anything, but the reader also can find of the movie have some influence if they read it and learn about the politeness strategy. Actually, the researcher also has a unique way to prove the politeness strategy. This is divided into four parts, the first is *Bald-on Record*, *Off-Record*, *Positive Strategy* and *Negative Strategy*. This is the parts of politeness strategy. Those strategies are applied in order to uncover the linguistics elements within the smart boy device character's interaction to the adult people. Those explanations above are the reasons of the researcher to do this analysis with the movie series entitle *Young Sheldon Season 1* as the research by using Brown and Levinson as the main theory to analysis.

In this research also explain about the pragmatics study, which learn about pragmatics is the study of speaker meaning. The researcher explains that speech act, discourse analysis and the last is politeness. The researcher focus to the politeness strategy. Politeness is a tool to make both speaker and hearer relaxed comfortable with one another, and to avoid disagreement of conversation in order to keep social relationship well. Politeness is an important thing for us in communication. In pragmatic, politeness is a system of interpersonal relations designed to facilitate interaction by minimizing the potential for conflict and confrontation inherent in all human interchange.

Politeness and its reflection can be learned from the film or movie. The character play roles with particular characterization which are different from one to another. They use dialogue with some kind of politeness strategies on it. In this study, the researcher wants to examine the politeness strategies used

by the main characters in the popular movie entitled *Young Sheldon* using its film.

In this film, we can find the unique learning about politeness. For example, with this film we can know about the characters, we can learn about the utterances of this film which makes the parts of politeness strategies. And also we can learn about which the characters have a dominant utterance or their anything. This film is very recommended for the people who wants to learn basic English language and learn about politeness strategies.
