

CHAPTER V

CONCLUSION

After analyzing novel *Someone Else's Summer* through intrinsic approach which consists of characterization by showing and telling methods, plot and setting, elaborated with analysis through extrinsic approach by using the values of character building. It can be concluded that Rachel Bateman's *Someone Else's Summer* reflects the values of character building.

Anna Holloway and Cameron Andrew, as the most frequently appearing characters, display the value of character building in their actions and characteristics. As the beginning of the novel, we see that Anna shows her optimism and bravery when she does Storm's summer list. Until the end of the story, through Anna and Cameron's action shows other values like responsibility, hard-working, honesty, friendly, respect, kind-hearted, love and affection, sorry and apologize, curiosity and caring.

Through this research, having the values of character building is so important especially for young generation. It is important to be applied in education system to increase and also bring significant improvements in academic performance of the students. Character building education has been and will be useful to children and adults as they engage and interact with other people in society. The moral teaching of this research is to improve and increase our character to be a better person. Having a good character will make many people love us. The purpose of this research is to explain and to describe about the position of character education in literary appreciation and to explain and to describe about literary works which contains of education element of character.

According to this research, it is potential for the next research. There are only a few journals and researches that discuss and analyze literature works by using the values of character building. This research can introduce about the values of character building and its application in literary works. This novel *Someone Else's Summer* is also still new by the time this research is conducted using the concept of the values of character building. It is still wide open to new possible findings that can be analyzed in this novel.
