OBJECTIVE OF THE RESEARCH

To find out the types of figurative language used in the Kelly Asbury's "Smurfs: The Lost Village" Movie Script.

The researcher aims to find the meaning of figurative language used in the Kelly Asbury's "Smurfs: The Lost Village" Movie Script.

FRAMEWORK OF THE RESEARCH

The theory of Gorys Keraf

According to Gorys Keraf (1997:1), Language is communications tool between members of society in the form of a symbol of the sound produced by human vocal organs.

Figurative language consists of 7 kinds, they are:

- ✓ Hyperbole
- ✓ Personification
- ✓ Allegory
- ✓ Idiom
- ✓ Metaphor
- ✓ Cynicism
- ✓ Sarcasm

Number Text	Text
1	Ha-ha!
2	Whee!
3	This story begins
4	in a secret place
5	hidden deep in a forest.
6	Whoa, whoa!
7	That is a smurf.
8	We call him clumsy.
9	And this is our village,
10	where there's a smurf
11	for just about everything.
12	Like jokey.
13	Hey, here's a present for you.
14	Ah!
15	Oh, gullible smurf,
16	you're so gullible.
17	Actually, I meant
18	to give you this one.
19	Wow! Thanks!
20	- 96, 97, 98, 99, 100.
21	- Here's hefty.
22	And over here is...
23	Now, for the
24	one-fingered pushup.
25	One, two, three...
26	Meet nerdy smurf.
27	Excuse me?
28	Sorry, brainy. Just kidding.
29	Nosey.
30	Hmm. Well, what's
31	going on over there?

32	Paranoid smurf.
33	Winner.
34	Hmm.
35	Loser.
36	Karate smurf.
37	Hyah!
38	Handy. Vanity.
39	Farmer. Painter. Baker.
40	Magician. Scuba.
41	Policeman. Therapist.
42	Sometimes I just feel blue.
43	There's even
44	table-eating smurf
45	Oh, hi.
46	Yeah, we're not too
47	sure about him, either.
48	And then there's me, papa smurf.
49	I sort of run this place.
50	But this isn't a story about me.
51	Whoa...
52	Or clumsy.
53	Or any of them.
54	It's about the only girl
55	in our village.
56	Smurfette.
57	Hi, laundry smurf.
58	Howdy-do, Smurfette.
59	Hey, guys.
60	But that's not the only thing
61	that's different
62	about Smurfette.
63	She was created
64	by the evil wizard, Gargamel.
65	Using dark magic...
66	he made her from a lump of Clay.
67	Now, go and find smurf village.
68	Luckily, I knew

69	a little magic of my own.
70	But there was still one problem.
71	Smurfette's name doesn't
72	tell us anything about her.
73	Okay, the physics are...
74	It doesn't tell us who she is.
75	Hyah!
76	High heels.
77	Or what she does.
78	So, what exactly is a Smurfette?
79	Well, let me be frank.
80	She's a rubbish Baker.
81	Let's see. Smurfette.
82	Smurfette, Smurfette, Smurfette.
83	Huh. It's not here.
84	Well, Smurfette is a combination
85	of a smurf and an ette.
86	But what's an ette?
87	Oh, uh, yeah.
88	Smurfette, well, she's...
89	She's the greatest.
90	The most wondrous
91	creature on earth.
92	Yes, you are.
93	Smurfette...
94	Um...
95	Oh! I got it.
96	This is one of
97	those eternal questions
98	that we'll never,
99	ever know the answer to.
100	Huh? Wait, she is?
101	Do you think she heard me?
102	So, what is a Smurfette?
103	No one wanted that answer
104	more than Smurfette herself.
105	What are you doing?

106	Oh.
107	Hey, grouchy, I was just...
108	Leaving?
109	Um...
110	This is my bench.
111	I come here same time
112	every day, and I...
113	Ooh. Let me guess.
114	"And grouch."
115	Exactly.
116	I can do that.
117	I can grouch.
118	Hi, grouchy. Hi, Smurfette.
119	Nice day, huh?
120	No, it's not.
121	It's gonna rain!
122	Which actually helps
123	the plants grow.
124	But also means it's gonna be
125	cloudy, so, chew on that.
126	Then again, there
127	might be a rainbow.
128	But rainbows are dumb.
129	Just kidding.
130	I love rainbows.
131	Ugh.
132	You're not very good
133	at this, are ya?
134	Uh, no, I'm not.
135	In fact, you're actually
136	kind of bad at it.
137	Yup.
138	But you're also bad at it.
139	That's a lie.
140	You're really,
141	really good at it.
142	Hi, brainy.

143	Ah. Smurfette.
144	Thank goodness you're here.
145	I was... whoa!
146	Whoa. We're running trials
147	on my new invention.
148	The Smurfy thing finder.
149	Test subject, hefty smurf.
150	Oh, hey, Smurfette!
151	I mean, uh...
152	Hey, Smurfette.
153	Oh, hey.
154	That thing's safe, right?
155	- Is it safe?
156	- Of course.
157	I'd get back here if I were you,
158	Snappy bug.
159	Take this down, Smurfy.
160	Thing finder trial 1.03.
161	Ready, hefty?
162	Roger that.
163	Whoa!
164	It works!
165	Wow. This thing
166	really gets me.
167	It's able to hone in on
168	hefty's dominant trait.
169	Super strength.
170	Which I distill into this.
171	I call it brainy's
172	super Smurfy power fuel.
173	Here, you can try it first.
174	All clear!
175	Yeah, you see, when you say
176	things like "all clear,"
177	it makes me not want to...
178	Whoa!
179	Hey, guys.

180	Hi, clumsy.
181	You're just in time
182	to witness scientific history.
183	Oh. What's going on
184	in here?
185	None of your business, nosey.
186	Hmm. Well, all right.
187	Hey! If that vegetable hat can
188	tell us that hefty is strong,
189	maybe it can tell me
190	what an ette is.
191	Power it up, brainy.
192	Whoa.
193	Fascinating.
194	What happened?
195	Somehow, instead of sending
196	energy out, you absorbed it.
197	Probably something
198	to do with the fact
199	that you're not a real...
200	A real smurf? Go
201	ahead, you can say it.
202	No, no, I just meant that
203	this machine wasn't built for a
204	smurf of your, well, origins.
205	Yeah, it's okay. I get it.
206	Brainy.
207	Hey, you know what? Let's
208	all go have some fun.
209	Yeah!
210	- Pizza!
211	- Smurfboarding!
212	Smurfboarding!
213	It's almost ready, Azrael.
214	A pinch of newt poo.
215	A gram of calcified fungus from
216	between the toes of a yak.

217	And a piece of cheese I left
218	in my underpants last week.
219	That ought to do it.
220	Presto!
221	Twelve spherical
222	petrification modules.
223	Or, as I like to
224	call 'em, freeze balls.
225	You're welcome, Azrael.
226	Dinner is served.
227	Ingrate.
228	Besides, these freeze balls
229	aren't for catching mice.
230	They're for capturing
231	those elusive smurfs.
232	My holy grail.
233	The gold at the end
234	of my rainbow.
235	The most potent magical
236	ingredient in the world.
237	Next slide.
238	Imagine the power in
239	100 of them combined.
240	How I've searched high and low,
241	under every rock, it seems,
242	with no sign of them anywhere.
243	Not now, Azrael. I'm in
244	the middle of a lecture.
245	My plan is simple.
246	Find smurf village, capture all the
247	smurfs, drain them of their magic
248	and, finally,
249	use that magic to become
250	the most powerful
251	wizard in the world!
252	Oh, look at me with hair.
253	What?

254	Why didn't you say
255	so in the first place?
256	Blue blazes!
257	I've spotted smurfs
258	in the forest!
259	Well, it's
260	my telescope. Monty!
261	Come, my majestic eagle.
262	Your talons are digging
263	into my shoulders. Ow!
264	Oh, that's better.
265	Now, fly.
266	Go capture me some smurfs.
267	No, no!
268	No, you're going the wrong way!
269	Ha-ha!
270	Ooh! Whoo!
271	Whoa! Huh!
272	Hyah! Yeah!
273	Ooh! Whoa.
274	Whoa!
275	Yeah!
276	Whoo-hoo!
277	Oh, no.
278	My turn!
279	Safety third.
280	Oh, boy.
281	Whoa!
282	Whoa-whoa-whoa-whoa!
283	Whoa!
284	Whoa, whoa, whoa!
285	Whoa! Yeah!
286	Wow!
287	Really takes your
288	breath away, doesn't she?
289	This is incredible!
290	Whoa. Oh... uh-oh.

291	Huh? Oh, no!
292	She's getting way too close
293	to the forbidden forest.
294	She can't go over that wall.
295	Come on.
296	Whoa! Oh!
297	No, no, no, wait.
298	Don't go.
299	Wait. Wait, who are you?
300	Don't be afraid.
301	Hey, you can't go in there.
302	- Smurfette!
303	- Smurfette!
304	Smurfette, you okay?
305	What happened?
306	What happened?
307	I saw a smurf.
308	What?
309	Who was it?
310	I don't know,
311	but he was wearing this.
312	Smurfette! Code blue!
313	Guys, come on.
314	We've gotta get her.
315	I have a bad feeling about this.
316	Oh, do you?
317	Does it have to do
318	with the giant vulture
319	carrying our friend off
320	to Gargamel's lair?
321	Monty, my regal raptor.
322	You've done it,
323	you've caught a smurf.
324	Give me a kiss.
325	Finally, you bring me
326	what I've been asking for.
327	A tiny, blue-skinned,

328	shirtless... you!
329	Let me out of here, you
330	smurf-obsessed wannabe wizard.
331	Oh, is that any way
332	to talk to the man
333	who brought you into this world?
334	I'd prefer it if you
335	just called me "papa."
336	I would never call you that.
337	Your loss.
338	What's this?
339	What are you hiding?
340	Hand it over,
341	you pseudo-smurf.
342	Thank you, Azrael.
343	Hmm.
344	What do we have here? Hmm...
345	A different design? Yes, of course,
346	I noticed that right away!
347	Slightly before
348	you did, in fact.
349	Where did you get it?
350	I'm not telling you anything.
351	Tell me.
352	No.
353	Tell me!
354	No!
355	You better tell me.
356	No!
357	Fine. Don't tell me. I won't.
358	Stupid reverse
359	psychology never works.
360	Who cares? You've already
361	given me what I need.
362	Come along, Azrael.
363	Ah, where on earth
364	did I put those ingredients?

365	Oh, I know this.
366	Go left, then right,
367	back handspring,
368	stick the landing.
369	Is it a person, book or movie?
370	No one ever understands
371	your hand signals, hefty.
372	Ah, never mind. Just
373	follow me and stay close.
374	Wart of worm and hair of cat.
375	Show me the home
376	of this smurf hat.
377	Long have you searched
378	for these creatures of blue.
379	But this hat comes
380	from somewhere new.
381	Yes. Where? Where
382	does it come from?
383	A village of smurfs,
384	where enchantment grows.
385	Oh. An entire village.
386	Good. Go on. Go on.
387	The location of which...
388	Yes?
389	Nobody knows.
390	No! Just start with that.
391	Start with "I don't know."
392	Lousy cheap-o cauldron.
393	Ow!
394	But here is a clue.
395	Fascinating.
396	But what is it?
397	Trees?
398	Must be a symbol for
399	something, or a code.
400	Trees, trees, breeze, knees.
401	Babies crawl on their knees.

402	Check all the nurseries
403	in the area!
404	We're going to need to
405	disguise ourselves as babies.
406	Now, where can I
407	get a giant diaper?
408	Azrael, it's not your map.
409	You want your own map, we'll get you
410	your own map, but this is my...
411	Wait a minute.
412	Look what I found.
413	Three tall trees,
414	in the forbidden forest.
415	We've never
416	searched there before.
417	I'm a genius.
418	Psst.
419	Azrael, it's time
420	to take a road trip.
421	Shh.
422	Prepare my trail mix.
423	Oh, Smurfette, congratulations.
424	You've just led me
425	to an undiscovered
426	population of smurfs.
427	They have no idea we even exist.
428	I'll be like...
429	They'll be all like,
430	"oh, no!"
431	And I'll be like...
432	- And they'll be like...
433	- "Run! No!
434	"Run, run, run!"
435	You evil little genius.
436	The rotten apple
437	doesn't fall too far
438	from the tree after all.

439	Does it?
440	Get your fur and
441	feathers in gear, boys.
442	We leave at first light.
443	Right after breakfast, say 8:00, 8:30.
444	9:00 at the latest.
445	Wait, brainy, the map.
446	I'm on it.
447	Fine, maybe 9:30. Absolutely
448	no later than 10:00, though.
449	What the...
450	It's a jailbreak!
451	Go, go, go!
452	They know my plans.
453	They'll ruin everything!
454	Is this safe?
455	Well, it's a giant crossbow,
456	so I'm gonna go with "no."
457	Don't let them escape.
458	Aah!
459	Where are the seat belts?
460	Get them!
461	Get those smurfs!
462	Fire in the hole!
463	Get those smurfs!
464	Azrael's gaining on us.
465	Incoming bird!
466	This might hurt.
467	No!
468	Huh?
469	Come on. Smurf this way.
470	Run faster! Run faster!
471	Why are our legs so short?
472	Why are our feet so big?
473	Why are my muscles so big?
474	Really, man?
475	Guys! Guys!

476	A little help here.
477	It's coming.
478	Yes!
479	All right!
480	Well, I know four smurfs
481	who have some explaining to do.
482	Oh, boy.
483	Hi.
484	Oh, my gosh. Papa,
485	you will not believe it.
486	We ran into
487	the forbidden forest.
488	One at a time.
489	One at a time.
490	Please. Please.
491	Smurfette sees
492	this mystery smurf.
493	We have to go to
494	the forbidden forest.
495	I've told you time and again,
496	the forbidden forest
497	is forbidden.
498	And now you're
499	talking about maps
500	and mystery smurfs
501	and Gargamel's lair.
502	None of this makes any sense,
503	and I really don't understand
504	why you can't follow
505	simple rules.
506	You snuck out and it
507	put you all in danger.
508	Seems to me the only way
509	I can keep you safe is if...
510	You're grounded.
511	Grounded? No, not grounded!
512	What? No way!

513	But, papa, but...
514	Come on!
515	No "buts."
516	None of you are to take one
517	step out of your mushrooms
518	without telling me where you're going.
519	Do you understand that?
520	You're right, papa.
521	Huh? What?
522	Huh?
523	You're right.
524	I don't know what
525	we were thinking.
526	Uh, good.
527	Because, as I was saying,
528	you behaved completely
529	irresponsibly.
530	Yes. Right. Exactly.
531	I couldn't agree more.
532	Right, guys?
533	Uh... yeah, right.
534	Oh, yeah. Yeah, yeah.
535	What are you talking
536	about, Smurfette? Okay.
537	Yes, so...
538	And furthermore...
539	In fact, I think we should all
540	go to our rooms right now
541	and think about what we've done.
542	Well, I think that's...
543	Tough, but fair.
544	Come on, guys.
545	Okay, okay.
546	Okay, I'm moving.
547	What's your endgame here?
548	Did you get pecked
549	on the noggin, Smurfette?

550	Actually, Smurfette...
551	Don't worry, papa.
552	We are certainly going to do
553	some thinking about what we did.
554	And so forth.
555	But we will definitely
556	not be leaving our rooms
557	until we've thought
558	this whole thing out.
559	And then, just for good measure,
560	we'll think about it some more.
561	Yes, but...
562	Great talk, papa.
563	Huh.
564	I have no idea what I'm doing.
565	Hefty, I know that's you.
566	'Sup, Smurfette?
567	Brainy.
568	How did you do that?
569	And, I assume, clumsy.
570	Whoa-oh!
571	All good. What are you
572	guys doing out here?
573	We knew you were up
574	to something.
575	This is all my fault, hefty.
576	But, Smurfette,
577	the forbidden forest?
578	It's too dangerous.
579	I have to at least
580	warn that lost village.
581	Well, we're team smurf,
582	and we stick together.
583	So, we're coming with you.
584	I can't ask you to do that.
585	You didn't ask.
586	We volunteered.

587	Thanks, guys.
588	First things first.
589	Wow! Bug technology.
590	Cool.
591	According to my map,
592	we should be standing
593	right in front of this
594	very large, tall stone wall.
595	Check.
596	One small step for
597	four small smurfs...
598	Okay.
599	Let us proceed.
600	Wow.
601	Wow, wow, wow.
602	Wow, wow, wow.
603	Wow.
604	Smurfette!
605	You okay, Smurfette?
606	Nice flowers. Nice flowers.
607	Not nice flowers!
608	Oh! Whoa, whoa, whoa!
609	Whoa!
610	Whoa!
611	Whoa...
612	Whoa!
613	Aah!
614	Where's clumsy?
615	Hey! We just met! I'm
616	not that kind of smurf.
617	Watch out for
618	the steep embankment.
619	Clumsy, you okay?
620	I'm seeing stars.
621	Whoa.
622	Ooh.
623	Wow.

624	Good work, clumsy.
625	You may have discovered a new
626	subspecies of flying Insectoid.
627	Amazing! A winged,
628	fire-breathing Anisoptera.
629	Mmm, let's see. How
630	should we classify this?
631	Hmm, maybe.
632	I mean, seems like an easy
633	choice, but I'm just not sure.
634	Yeah, okay, let's go
635	with "dragonfly."
636	Hopefully more
637	"fly" than "dragon."
638	Nope! Less "fly"!
639	Less "fly"!
640	Whoa, guys!
641	Whoa...
642	Whoa.
643	I'm okay.
644	A little help here.
645	Monty, get off of me.
646	I hate nature.
647	How gaudy.
648	Hmm? Ow, ow!
649	Azrael, do something!
650	It's quite painful.
651	Stop laughing.
652	This is not funny.
653	Watch it!
654	Let me go!
655	Ouch.
656	Hmm. These nests are
657	made of some material
658	I've never seen before.
659	Whoa!
660	You know,

661	I think I've had enough
662	of these flying
663	antipastos for one day.
664	Hey!
665	What are you doing here?
666	Well, I was thinking of getting
667	a little place out here.
668	Just a quiet place
669	in the forest.
670	It's a little breezy
671	up on the hill.
672	What do you think
673	I'm doing out here?
674	You are never going to find
675	that village, Gargamel.
676	Oh, Smurfette,
677	if it wasn't for you,
678	I wouldn't even know
679	about those other smurfs.
680	Get 'em, boys. (29:00)
681	Smurfintine formation! Go!
682	Hey!
683	Smurfintine!
684	Get 'em, Azrael!
685	Smurfintine! (29:07)
686	Smurfintine!
687	Smurfintine!
688	Ow!
689	Smurfintine!
690	Hey, you.
691	You're the clumsy one, right?
692	Huh?
693	Think fast.
694	I caught it!
695	This isn't good.
696	Clumsy, give 'em back their egg!
697	Okay.

698	Oh, come on!
699	Clumsy!
700	I'm trying!
701	Whoa!
702	I'm really, really sorry, guys!
703	Over there!
704	I didn't mean to poach your egg.
705	Whoa!
706	Well, they're toast.
707	Ah, it doesn't matter.
708	What's a few worthless pennies
709	when there's a pot of gold
710	at the end of my rainbow?
711	Trust me, they're goners.
712	I'm telling you, they've
713	been fried to a blue crisp.
714	They're smurf kabobs.
715	Smurfberry flambe.
716	Marshmallows.
717	Can it, fuzzball.
718	They're dead.
719	Dead, I say!
720	Hello?
721	Smurfette?
722	Echo!
723	Darkness.
724	I don't do well in the darkness.
725	I have enough trouble
726	in the daylight.
727	Hold on, everyone. We need
728	to find a way out of here.
729	That is good thinking,
730	"brainy."
731	- Guys?
732	- Darkness!
733	Don't be scared. Just...
734	Just think happy thoughts.

735	It's not really
736	happy times right now!
737	Just stay in the light, clumsy.
738	Too late.
739	I'm walking into the darkness!
740	What are you... why?
741	I'm really
742	freaking out, you guys!
743	Stop, everyone.
744	Okay, go into your backpacks,
745	get out your emergency
746	tunnel survival kit,
747	find the small glass
748	vial marked "light,"
749	and shake it really hard.
750	Clumsy? How you doing?
751	Okay, I guess.
752	Just hang tight, clumsy.
753	I'm not sure how
754	long this will take
755	or how long we'll be down here,
756	so, everybody, whatever you do,
757	don't eat all your rations.
758	I just ate all my rations!
759	Clumsy!
760	I'm stress-eating! (32:14)
761	I'm coming, clumsy.
762	Follow the sound of my voice.
763	Wait! These tunnels
764	are like a maze.
765	We'll just get more lost.
766	We gotta do something.
767	I'm with her.
768	Time for some action.
769	We're doing this all wrong.
770	Smurfette!
771	- I'm close, clumsy.

772	- Almost there.
773	That's just the echo
774	playing tricks on us.
775	Anybody?
776	I'm here.
777	I'm here right
778	around this corner.
779	Hey, everybody?
780	My light is going out.
781	That is it! I'm punching
782	us out of here.
783	It's collapsing.
784	Hefty! Put those fists away
785	before you get us killed!
786	At least I'm trying something.
787	I'm gonna blow us out of here!
788	No!
789	Oh, yeah!
790	Don't!
791	Too late!
792	Clumsy?
793	Hmm?
794	Hey, Smurfette.
795	Clumsy!
796	Whoa!
797	Whoa!
798	Hang on.
799	I'm coming, clumsy bro.
800	I got you, little buddy.
801	Yeah! Yee-haw!
802	Stampede!
803	I think my rations
804	are coming up.
805	Oh! Whoa, whoa.
806	What?
807	What's so funny?
808	Now, that's what I call

809	"talking out of your butt."
810	Oh, boys.
811	Would anyone be
812	interested in knowing
813	that we're in sight
814	of three tall trees?
815	- All right.
816	- Yeah, we are.
817	And Bucky is gonna
818	get us there extra fast.
819	Bucky? Seems like a Bucky to me.
820	Hit it, Bucky!
821	Smurfette?
822	Before you say anything,
823	just listen.
824	Now, I know yesterday
825	I might have been
826	a bit tough on you and the boys,
827	and I know there are times
828	I'm a little overprotective.
829	Okay, a lot overprotective.
830	But you have to understand,
831	you snuck out.
832	You have to be more careful.
833	Smurfette, I know
834	lately you may not realize,
835	and I may not say it enough,
836	but you are...
837	You shine.
838	So, anyway, we're Smurfy?
839	I think you and the boys have
840	been grounded long enough.
841	Smurfette?
842	Okay. I'm opening the door.
843	And I'm walking in to talk more.
844	You there?
845	Smurfette.

846	Hefty!
847	Brainy!
848	Clumsy! Oh, that's
849	not even convincing.
850	When I find those smurfs,
851	I will ground them
852	for a month of blue moons.
853	Oh, what's going on in here?
854	Hmm. Well, all right.
855	Wow. Have you ever seen
856	something so beautiful?
857	Every day, Smurfette.
858	Every day.
859	- Don't be weird.
860	- You don't be weird.
861	We can camp here for the night.
862	I'll start us a fire.
863	Uh, fetch me some firewood,
864	would you, hefty?
865	Um, a "please" would be nice.
866	Yes, it would, but I haven't
867	earned my manners badge,
868	so get me some firewood.
869	Clumsy? You okay?
870	Yeah, sure. It's been fun.
871	Well, not tons of fun,
872	but it's had its moments.
873	Kind of.
874	You know what I'm trying to say.
875	It hasn't been that much fun.
876	Well done, hefty.
877	Well done.
878	All right, step one,
879	the wood should be stacked
880	into a tepee-like structure.
881	Step two, I tap this
882	flint with a rock and...

883	You're not even blowing on it.
884	You're spitting on it.
885	Hmm. That's odd.
886	Perhaps the wood you
887	collected was damp, hefty.
888	According to my manual,
889	it should spark right up.
890	Hey, I've got an idea.
891	No, no, no. No, no! No! No, no, no.
892	No, no, no!
893	Oh, oh, oh... You know,
894	you're right, brain man.
895	Your little book
896	does come in handy.
897	Shame. Shame on you. We'd
898	be lost without this book.
899	My name is brainy.
900	I'm super smart.
901	I'm the smart smurf.
902	But I can't start a fire.
903	Okay, the damage is minimal.
904	The binding's still intact.
905	It smells good.
906	Just think, guys.
907	After all this time,
908	while we've been going about
909	our Smurfy business back home,
910	there's been other smurfs
911	out there, just like us.
912	Or they could be
913	nothing like us.
914	He's right. We should be
915	prepared for whatever we find.
916	Those other smurfs
917	might not even be blue.
918	Maybe they'll be orange.
919	Ah. I like orange.

920	What if they all wear glasses?
921	Or have big, bushy mustaches.
922	What if they have scaly
923	skin and sharp teeth?
924	And giant claws.
925	And big, beady eyes.
926	What if they have hands?
927	Good one, bro.
928	Listen, it doesn't matter
929	what they look like.
930	We still have to warn them.
931	Gargamel's wrong about me.
932	It's not my purpose to help him.
933	I'm meant to save those smurfs.
934	And we're gonna help you.
935	We're team smurf, and
936	we're in this together.
937	And by "together,"
938	I mean me and you.
939	And those guys.
940	But mostly me and you.
941	Okay, everyone.
942	Smurfy selfie time.
943	Say, "blue cheese."
944	Blue cheese!
945	Whoa.
946	According to the map,
947	we should be
948	arriving at a river.
949	Check.
950	Wow.
951	Whoa.
952	It's like a workout
953	for my eyeballs.
954	Okay, Bucky, let's see
955	how fast you can swim.
956	Hyah!

957	Whoa!
958	Whoa!
959	Come on, boy.
960	You can do it.
961	What's a little water?
962	Hey.
963	Uh-huh.
964	What's that, Bucky?
965	The river's unsafe
966	and full of dangerous
967	surprises at every bend?
968	No. I didn't
969	get any of that.
970	Perhaps Glowbunnies don't swim.
971	That's too bad.
972	We'd get there so much faster.
973	Fear not,
974	my intrepid team smurf.
975	I didn't earn this raft-building
976	merit badge for nothing.
977	Boom! Nailed it.
978	Impressive, brainy.
979	Here.
980	Ooh.
981	Stylish and practical.
982	Now, let's launch this bad boy.
983	Wait. Remember,
984	this strange river
985	may hold untold surprises.
986	We must be cautious.
987	Cautious. Good point.
988	And heave...
989	Wait.
990	The currents can
991	be unpredictable.
992	We must be alert and vigilant.
993	Vigilance? Good call.

994	Now, on three, two...
995	Wait!
996	We must make sure we always...
997	Bark, bark, bing, bang!
998	Pay attention to the...
999	Bong, bong, bing, bang!
1000	Rate of speed of the...
1001	Berp, berp, bing,
1002	dang, bong, bong!
1003	Okay, and we are off.
1004	Heave-ho!
1005	Whoa!
1006	Bye, Bucky.
1007	Thanks for your help.
1008	- Don't worry, we'll be fine.
1009	- Bye, little Bucky bro.
1010	Hasta la bunny.
1011	See you on the way back!
1012	Hey. What is this thing?
1013	I wouldn't touch that
1014	if I were you.
1015	Oh. Now all I want
1016	to do is touch it.
1017	At this pace, Gargamel
1018	doesn't stand a chance.
1019	Look. If we follow this river,
1020	we'll be right on course.
1021	Right on course.
1022	Huh?
1023	To the end of our rainbow.
1024	Smurfs? I thought
1025	I left you for dead.
1026	Hang on, smurf crew.
1027	Gun it!
1028	What the...
1029	No.
1030	Whoa!

1031	Stop ruining things.
1032	Ruining things is my thing.
1033	What?
1034	Azrael, get me a bigger stick.
1035	Whoa!
1036	Oh, dear.
1037	Clumsy, pull the lever!
1038	Seriously? But you said not to.
1039	Is this a trick?
1040	Pull it now!
1041	Oh, no.
1042	Whoa!
1043	Whoa, whoa...
1044	Huh? What's this?
1045	Aah! Azrael!
1046	Do something.
1047	It's never gonna stop.
1048	Make the log stop spinning.
1049	This river is killing me.
1050	Whoa, whoa!
1051	Look out!
1052	Whoa!
1053	Whoa!
1054	I love you two.
1055	Yes! We did it!
1056	We did it!
1057	See, I always believed we would do it.
1058	Take that!
1059	Help! Help!
1060	All right.
1061	We're still on course.
1062	Double-time it, hefty.
1063	Help! I'm sinking!
1064	Please. I'm afraid of turtles!
1065	Uh, guys, what's he up to now?
1066	Help!
1067	Forget that guy.

1068	My cat can't swim.
1069	We gotta help him.
1070	Are you crazy? Why?
1071	Because it's what I do.
1072	Listen to him!
1073	But he's our sworn enemy. (tapi dia musuh bebuyutan kita)
1074	He is literally a villain.
1075	I can change!
1076	And I literally wear my
1077	heart on my sleeve, okay?
1078	That's your shoulder,
1079	not a sleeve.
1080	I like your tattoo!
1081	We're doing this.
1082	Smurfette, talk some
1083	sense into him.
1084	Brainy, I hate Gargamel more
1085	than anyone, but we're smurfs.
1086	We do the right thing.
1087	Thank goodness for it!
1088	And we have to save him.
1089	I just want to go on record
1090	that I'm decisively
1091	against this.
1092	Whatever. We're doing it.
1093	Sounds awesome!
1094	Use this.
1095	Grab on!
1096	I don't know about this.
1097	You won't regret it.
1098	Oh, thank you. Thank you.
1099	Such a kind smurf.
1100	Are you okay?
1101	Oh, I'm okay.
1102	Wet, a little tired,
1103	kind of waterlogged.
1104	Thanks for asking, but...

1105	I'm still evil, so...
1106	Enjoy drowning.
1107	Hope you're better swimmers
1108	than you are judges
1109	of wizards' character.
1110	Whoa! Whoa!
1111	Brainy. Hefty?
1112	You okay?
1113	Define "okay."
1114	Where's clumsy?
1115	Clumsy!
1116	Clumsy! Clumsy!
1117	Clumsy!
1118	I'm good.
1119	Run away! Run away!
1120	Hey.
1121	I think.
1122	My pack! My manual!
1123	No! No, no, no! No, no, no!
1124	My scout manual!
1125	This is all your fault!
1126	What?
1127	Brainy, cut it out.
1128	Oh, I'm sorry. Correction.
1129	This is your fault, too.
1130	Leave her out of this.
1131	Hefty, I don't need you
1132	to fight my fights for me.
1133	Wait, now you're mad at me, too?
1134	Smurfette, you're the one
1135	that got us into this whole
1136	mess in the first place.
1137	Hey, I was ready
1138	to do this on my own.
1139	Great.
1140	So much for team smurf.
1141	I want to yell about something!

1142	Stay out of this, clumsy.
1143	That's it, brain man. It's time for
1144	you to earn your manners badge.
1145	Stop it!
1146	Take cover!
1147	Whoa!
1148	Huh?
1149	Who are you?
1150	What do you want?
1151	Her.
1152	Huh?
1153	Move.
1154	Smurfette!
1155	What should we do with her?
1156	Look at that hair.
1157	Where's she from?
1158	And that dress.
1159	It's you.
1160	You're a girl.
1161	She's a girl.
1162	Oh.
1163	Oh.
1164	Oh.
1165	This is her.
1166	This is the smurf
1167	I was telling you about.
1168	The one from the wall?
1169	She's real?
1170	I'm Smurflily.
1171	Hi. I'm Smurfette.
1172	Oh, my geez-to-petes!
1173	I'm Smurfblossom.
1174	Nice to meet you. We
1175	don't have a Smurfette.
1176	But we do have
1177	Smurfpetal, Smurfclover,
1178	Smurfmeadow, Smurfdaisy,

1179	Smurfholly, Smurfhazel...
1180	Hey.
1181	Oh, everyone can just
1182	introduce themselves later.
1183	Look at you.
1184	You're so different.
1185	I mean, sorry, but it's true.
1186	Do you know how to start a fire
1187	with just rope and a stick?
1188	I do. I can show you.
1189	Actually, Smurfstorm
1190	can show you.
1191	She's the best at that kind of thing.
1192	Right, stormy?
1193	That means "yes."
1194	Have you ever seen a rainbow?
1195	What about a double rainbow?
1196	What about an upside
1197	down rainbow?
1198	So, is your favorite song...
1199	'Cause mine is.
1200	Your dress is so pretty.
1201	Smurfblossom, remember,
1202	work on that filter, okay?
1203	Right.
1204	Filter, filter.
1205	What's your deal anyway?
1206	Oh, well, we came to
1207	warn you about Gargamel.
1208	Garga?
1209	Garga?
1210	Garga-what?
1211	He's a dangerous wizard who
1212	wants to capture all smurfs
1213	and use them for his evil magic.
1214	And he knows about
1215	your lost village.

1216	"Lost village"?
1217	You're the ones
1218	who are lost, not us.
1219	We have to take you
1220	to Smurfy grove.
1221	What do we do with
1222	these blue blobs?
1223	Oh, um...
1224	Bring them along.
1225	Come on, Smurfette. I'm
1226	gonna show you my room.
1227	You can tell me
1228	all about Gargasmell.
1229	But first, do you want to
1230	hear my favorite song again?
1231	All right, move.
1232	Dang!
1233	Girl smurfs mean business.
1234	You got that right.
1235	Open the gate!
1236	The girls are back!
1237	Ew! Where did
1238	they find them?
1239	Is there something
1240	wrong with them?
1241	Are they sick?
1242	Are they food?
1243	No, no, no. They're
1244	smurfs, just like us.
1245	Except, well,
1246	they're boy smurfs.
1247	"Boy." That's a funny word.
1248	Boy. Boy. Boy. Boy.
1249	Look at me.
1250	I'm a boy smurf.
1251	I like 'em. Where
1252	do they come from?

1253	- What is that?
1254	- Where is their hair?
1255	- You can see their tails.
1256	- Oh, look.
1257	Hey, watch it!
1258	Brainy's log, day two.
1259	We've encountered
1260	a rare new life-form.
1261	Are there more like you?
1262	They are at times
1263	very intimidating.
1264	Are you gonna stay here?
1265	And they smell nice.
1266	Hello, boy.
1267	More on that later.
1268	Oh, I want one!
1269	Boundaries!
1270	Okay, that...
1271	That's enough of that!
1272	They're my friends. That's
1273	hefty, brainy and clumsy.
1274	Hey, there!
1275	Hooptie, Berney, Klutzy.
1276	Got it.
1277	We should do name tags.
1278	Wait, where are your boys?
1279	You won't find any boys here.
1280	I am Smurfwillow,
1281	leader of the smurfs.
1282	This is called an introduction.
1283	So, now, you go.
1284	Uh, I, um...
1285	Don't get too close, Willow.
1286	Something's not right here.
1287	I promise we're
1288	only here to help.
1289	We came to warn you about

1290	the evil wizard, Gargamel.
1291	He has a map with a landmark
1292	leading him to three tall trees.
1293	Show 'em, brainy.
1294	Snappy.
1295	Don't try any funny stuff, bug.
1296	I hate to break it to you,
1297	but those aren't trees.
1298	They're waterfalls.
1299	Gargamel's going the wrong way.
1300	And if he went there,
1301	then that means the
1302	swamp of no return.
1303	There's no way he could survive.
1304	Aah! Help me! Help me!
1305	There's no way I'll survive!
1306	With all due respect,
1307	you don't know Gargamel.
1308	Yeah, well, with no due
1309	respect, you don't know us.
1310	Trust us, he's a goner. (Stormy)
1311	Stormy, why don't you do a little recon?
1312	Check things out.
1313	And leave you here
1314	with these four?
1315	No way.
1316	Look at that one.
1317	Huh?
1318	He can't be normal.
1319	I think we'll be just fine here.
1320	Spitfire!
1321	Okay. So, what does
1322	this Gargamel look like?
1323	Oh, you know,
1324	he's your typical wizard.
1325	Long black robe, lives alone
1326	with his cat and his bird.

1327	It's sad, really.
1328	You're coming with me.
1329	You can point him out.
1330	Hey. Whoa, whoa, whoa. There's
1331	no way he's getting on a...
1332	I feel the need to remind
1333	you, my name is clumsy.
1334	Clumsy!
1335	Don't worry.
1336	Clumsy's in good hands.
1337	Oh, stormy is the
1338	sweetest, in her own way.
1339	All right, girls,
1340	in the meantime,
1341	our guests have
1342	had a long journey,
1343	so let's show them some
1344	hospitality, Smurfy grove style.
1345	Whoo-hoo! (55:10)
1346	Come on.
1347	Huh?
1348	Go.
1349	Hey, Smurfette, check this out.
1350	Come on!
1351	Whoa!
1352	Flap, Monty.
1353	Flap vigorously.
1354	Use your mighty condor wings
1355	to carry your master to safety.
1356	Ouch! Oh! Ow!
1357	Sweet mercy,
1358	they're bottom feeders!
1359	Devil fish!
1360	Where is my lost smurf village?
1361	Huh?
1362	What? Smurfs!
1363	Why won't they just die?

1364	Monty, retrieve them!
1365	He exists, all right.
1366	He and his stinky cat
1367	and his dodo bird.
1368	They've been terrorizing
1369	us the entire journey.
1370	He didn't like us
1371	from the start.
1372	He never could find our village.
1373	So then he made
1374	a plan to capture us all,
1375	and that's when Gargamel
1376	created Smurfette.
1377	Anyways...
1378	Hold up.
1379	Smurfette was created
1380	by this Gargamel?
1381	Oh, yeah.
1382	From a lump of Clay.
1383	Really cool story, actually.
1384	I knew I didn't trust her.
1385	Oh, you'd like her
1386	if you get to know her.
1387	She's just like you, but nice.
1388	Hold on.
1389	We got a bogey coming in.
1390	That's no bogey. That's
1391	Gargamel's big dumb bird!
1392	Here, you fly.
1393	Uh, that's not a great idea.
1394	Flying's not really my thing.
1395	Have you ever flown before?
1396	Well, no.
1397	Well, then how do you
1398	know it's not your thing?
1399	He's coming back.
1400	Uh... oh, what do I...

1401	Hurry!
1402	What do I do now?
1403	Oh! Good move!
1404	Whoa, whoa!
1405	Now, do it again!
1406	Okay.
1407	Thanks.
1408	Hyah! Oh!
1409	Whoa!
1410	Yes. Wait a minute.
1411	I don't recognize
1412	that other smurf.
1413	They found
1414	my lost smurf village.
1415	Hey, I've got an idea.
1416	Spitfire, spit fire!
1417	I like the way you think.
1418	I guess I'm pretty good
1419	with dragonflies after all.
1420	Monty!
1421	What have they done to you,
1422	my glorious bird of prey?
1423	Smurfs!
1424	Hmm?
1425	Hmm.
1426	Shiatsu or Swedish?
1427	Probably Swedish.
1428	So, about all that stuff
1429	I said back at the beach...
1430	I guess I kind of overreacted.
1431	Ow.
1432	Yeah. Me, too.
1433	So, uh, we good?
1434	- Yeah, we're good.
1435	- Hey, guys.
1436	Isn't this place awesome?
1437	Doesn't she look great?

1438	It's like she's one of us now.
1439	She should stay with us forever.
1440	Uh, one, she always looks great.
1441	And two, this is getting a little
1442	out of hand, don't you think?
1443	Sorry.
1444	I can't take you seriously
1445	with that mask on your face.
1446	Hey, Smurfette, we did
1447	what we came here to do.
1448	These smurfs
1449	know about Gargamel.
1450	So, come on, let's start
1451	thinking about heading home.
1452	Home?
1453	But I.. I...
1454	It's time to go.
1455	Smurfette?
1456	Incoming!
1457	Turns out I do do well
1458	with dragonflies.
1459	They were right. This Gargamel
1460	character, he's real,
1461	and he's headed this way.
1462	Oh, no. See? I told you...
1463	Put a cork in it, Smurfette.
1464	The way I see it, you and
1465	your little boyfriends
1466	led him straight to us.
1467	But, of course, that was your
1468	plan all along, wasn't it?
1469	Smurfstorm, easy.
1470	Little miss yellow hair
1471	isn't even a real smurf.
1472	She was created by Gargamel.
1473	The clumsy blob
1474	told me so himself.

1475	What?
1476	Smurfette, is that true?
1477	It's not like that.
1478	She was made to
1479	help him find smurfs.
1480	Smurfette came here
1481	to help you. We all did.
1482	It's okay, hefty.
1483	This is all my fault.
1484	Girls, protection mode.
1485	Come on, bro, let's help.
1486	Isn't this exciting?
1487	Shh!
1488	Hold.
1489	Hold.
1490	Now!
1491	Surrender, wizard.
1492	What? Wizard?
1493	Oh, he's so old.
1494	Is he wearing a disguise?
1495	Look at his face.
1496	This is impossible.
1497	He doesn't seem so tough.
1498	Yeah, Gargamel!
1499	That's what you get when
1500	you attack Smurfy grove.
1501	Gargamel?
1502	What are you talking about?
1503	No, no, no, wait.
1504	This is a mistake.
1505	What?
1506	Smurfette?
1507	That's papa.
1508	Papa?
1509	Papa?
1510	There's another funny word.
1511	Papa. Papa. Papa!

1512	Smurfblossom, no.
1513	Breathe deep and step away
1514	from the papa-thing.
1515	Everyone, meet papa smurf.
1516	Hey.
1517	Hey.
1518	Hi. I'm Ssmurfjade.
1519	Where are the boys?
1520	'Sup, papa?
1521	Hello there.
1522	I rode a dragonfly!
1523	Well, thank goodness
1524	you're all okay.
1525	How did you find us?
1526	I wasn't
1527	born yesterday, you know.
1528	Yeah, that's clear.
1529	Look, you four are coming
1530	home with me. Now.
1531	Not so fast,
1532	papa-thing.
1533	"Papa-thing"? Are you
1534	the one in charge here?
1535	That's right.
1536	I'm Smurfwillow,
1537	leader of the smurfs.
1538	I'm afraid that's
1539	quite impossible,
1540	because I happen to be
1541	the leader of the smurfs.
1542	Whatever you say,
1543	papa-thing.
1544	Excuse me, do you
1545	mind not calling me that?
1546	Well, if the thing fits...
1547	By the way, where'd
1548	you learn those moves?

1549	Self-taught, actually.
1550	Impressive.
1551	Thank you.
1552	You're quite welcome.
1553	Okay, not really sure
1554	what's happening here,
1555	but, uh, what about Gargamel?
1556	What? What is all
1557	this talk about Garga...
1558	Gargamel!
1559	Oh, I'm sorry.
1560	Did I scare you?
1561	No!
1562	I hope so.
1563	- Everybody run!
1564	- Arm yourselves!
1565	Prepare for Garmageddon!
1566	This way!
1567	Spears, now!
1568	Gargamel says freeze!
1569	That's right. Smurf-tested,
1570	Gargamel-approved,
1571	grade-a, first-class, 01:05:20
1572	high-octane freeze balls.
1573	Freeze ball! Freeze ball!
1574	Freeze ball! Freeze ball!
1575	Look out!
1576	Well, I assume
1577	they'll still work
1578	if I don't shout "freeze ball,"
1579	but we'll never know.
1580	- Freeze ball!
1581	- Smurfette!
1582	Hefty.
1583	It's over, Smurfette.
1584	Monty, bag o' smurfs. Ah!
1585	It's time for you to run.

1586	No!
1587	Three more for pickup.
1588	Ah, Smurfette.
1589	My little creation.
1590	You finally did
1591	what you were made for.
1592	No. It's not true.
1593	Of course it is.
1594	Why do you think
1595	you led me here?
1596	Why do you think you
1597	saved me on the river?
1598	It was all part of the plan.
1599	No matter how hard you try,
1600	you can't escape your destiny.
1601	And now, you're really
1602	of no use to me anymore.
1603	Freeze ball!
1604	Ah, yes, these freeze balls
1605	only work on real smurfs.
1606	And you are nothing more
1607	than a lump of Clay.
1608	Thank you for everything.
1609	Smurfette? How could
1610	you do this to us?
1611	Because it was her purpose.
1612	Smurfy thing finder
1613	for four small smurfs.
1614	Huh?
1615	I'm sorry, you guys.
1616	No, snappy.
1617	I've done too much
1618	damage already.
1619	We're team smurf,
1620	and we're in this together.
1621	- We're smurfs.
1622	- We do the right thing.

1623	I'm not even a real smurf.
1624	I'm not a real smurf.
1625	We need more power!
1626	- Faster, Monty.
1627	- Faster.
1628	Yes.
1629	The jiggle's jiggling.
1630	The spinny thing is spinning.
1631	The smoke is going up.
1632	The bubblers are bubbling.
1633	Hubbuda, Hubbuda.
1634	Perfect!
1635	Oh, it's almost there.
1636	Just keep running, old bird.
1637	Here's what we're going to do.
1638	I pick this lock.
1639	Yeah?
1640	We swing to that shelf.
1641	Yeah?
1642	Pick up something heavy.
1643	Yeah?
1644	And use it to kill the bird!
1645	Yeah! What?
1646	Yeah! Wait.
1647	You want us to kill the bird?
1648	Fine. We'll just
1649	knock him unconscious.
1650	Genius!
1651	All right, then.
1652	Let's do this.
1653	They have an escape plan,
1654	but they're going
1655	to need our help.
1656	It's time to rock the cage.
1657	Don't be weird.
1658	Yes!
1659	Okay. Now!

1660	Stop that, Azrael.
1661	I can't calibrate my machine
1662	with all your
1663	incessant yammering.
1664	Oh, yes, Azrael, listen to it.
1665	It purrs like a kitten.
1666	Oh, look at that.
1667	Everything is in sync.
1668	Yes, yes. Good.
1669	Sweet mercy!
1670	It's another jailbreak!
1671	No, Gargamel. No.
1672	Quiet down.
1673	You'll all get your turn.
1674	In you go!
1675	No!
1676	Yes, that's the stuff.
1677	Oh, I can feel it.
1678	I can feel the power.
1679	Oh!
1680	Check out my wizard mane.
1681	Really, man?
1682	When I'm through
1683	with these smurfs,
1684	I'll have all the power
1685	I've ever dreamed of!
1686	Almost all the power.
1687	Huh?
1688	Smurfette.
1689	Smurfette,
1690	what a lovely surprise.
1691	Are you done
1692	crying in the woods?
1693	I've shed enough tears
1694	for those smurfs.
1695	What's this?
1696	I'm done pretending

1697	to be something I'm not.
1698	I've come to repledge my
1699	loyalty to you, my true papa.
1700	Impossible.
1701	She can't be serious.
1702	No, no, no, she would never.
1703	Even if I did believe
1704	you, which I don't,
1705	what could you possibly offer me
1706	that I don't already have?
1707	A tiny little massage
1708	that I can't even feel?
1709	How about
1710	the rest of the smurfs?
1711	Yeah, right.
1712	Wait, what?
1713	Just think of all
1714	the power you'll have
1715	once I reveal the location
1716	of smurf village.
1717	Oh, let's see now.
1718	One hundred more smurfs,
1719	that's 10 times the power...
1720	No. If you carry the one...
1721	Whatever.
1722	It's a lot more power.
1723	Now, why are you doing this?
1724	I'm so tired of being good.
1725	Use your power to transform me
1726	back to my evil self.
1727	Your loyalty has
1728	returned to you.
1729	So, do we have a deal?
1730	Smurfette, no!
1731	Quiet, you vile blue rats.
1732	I'm thinking.
1733	Okay, I'm done.

1734	Let's do it.
1735	One evil Smurfette
1736	coming right up!
1737	Wait. Of course!
1738	What? Oh,
1739	what's happening?
1740	No! No!
1741	What are you doing?
1742	Yeah! Go, Smurfette!
1743	Whoo!
1744	Azrael, help! More power!
1745	What are we going to do?
1746	Bingo. We Smurfboard.
1747	Whoa!
1748	Team smurf!
1749	Payback time.
1750	No!
1751	Smurfintine!
1752	Smurfintine!
1753	We're free!
1754	I'm okay. Yeah!
1755	I thought we were goners.
1756	All right. Everybody.
1757	Thank goodness.
1758	All right!
1759	I'm okay!
1760	She did it!
1761	She did it!
1762	Where's Smurfette?
1763	Hey.
1764	Smurfette?
1765	What happened?
1766	This is what she once was.
1767	No. No, no, no.
1768	There's gotta be
1769	something I can do.
1770	There's gotta be a spell.

1771	There's gotta be something.
1772	I know there is.
1773	Where is it? What page?
1774	Must be here.
1775	"Alchemy, vanishing,
1776	"lead into gold."
1777	No, that's not it.
1778	Papa. Which spell? Which spell?
1779	Papa.
1780	We won't find the answer
1781	to this in a book.
1782	Let's take her home.
1783	She never thought
1784	she was a real smurf.
1785	But she was
1786	the truest smurf of all.
1787	Why is everyone crying?
1788	It's Smurfette.
1789	She's a lump of Clay.
1790	No, clumsy, it's me.
1791	I'm right here.
1792	Smurfette?
1793	It's Smurfette.
1794	It's Smurfette!
1795	Quiet, clumsy.
1796	Let him be, brainy.
1797	We all grieve in our own way.
1798	She's here!
1799	Poor little bro.
1800	I know how he feels.
1801	Yeah!
1802	Smurfette!
1803	Oh, hefty, not you, too.
1804	You're all right!
1805	Don't ever do that to me again.
1806	I won't. I promise.
1807	Huh?

1808	Yes, yes, yes!
1809	You never cease to amaze me.
1810	So, as for that
1811	burning question...
1812	What's a Smurfette?
1813	Well, I don't need a book
1814	to tell you she's...
1815	Right.
1816	Smurfette can't be defined
1817	by just one word.
1818	She's many things.
1819	Oh, she doesn't know it yet,
1820	but she's my new best friend.
1821	Smurfette is a bunny wrangler.
1822	She's tough.
1823	Not as tough as me,
1824	but tough enough.
1825	Smurfette can be anything
1826	she wants to be.
1827	What's going on in there?
1828	Goodbye!
1829	Say, "blue cheese!"
1830	Blue cheese!
1831	I was this close
1832	to getting rid of the smurfs,
1833	and you ruined everything.
1834	I knew I should have gotten
1835	a dog from the shelter.
1836	I'm not saying this
1837	to be cruel, okay?
1838	I'm saying it to
1839	be constructive.
1840	You're a useless feline.
1841	That's just mean. That's mean.
1842	There was a line,
1843	and you crossed it.
1844	I was just jib-jabbing,

1845	and you crossed that line,
1846	and that stung.
1847	I demand an apology.
1848	You were going to learn this
1849	one way or another,
1850	but I am not your real father.
1851	But that doesn't matter now.
1852	What matters is
1853	destroying the smurfs.
1854	Any thoughts?
1855	I mean, I have thoughts.
1856	But I always like to spitball
1857	off of your thoughts.
1858	Azrael, I'm not
1859	going to sugarcoat this.
1860	Your ideas are terrible.
1861	I can't think with this music.
1862	Can someone please
1863	shut off the music?
1864	And what's with all these words
1865	scrolling in front of me?
1866	Did the smurfs do this
1867	so that I would be distracted
1868	and not be able to
1869	destroy them as easily?
1870	"Matte painters"? I don't
1871	even know what that means.
1872	Someone just
1873	made that up, right?
1874	I feel sorry for
1875	whoever "matte" is.
1876	"Look development artists"?
1877	Oh, yes, of course,
1878	let's develop some looks.
1879	Like maybe a really angry look,
1880	because you two
1881	totally ruined my plans.

1882	Am I going mad, Azrael?
1883	For the last time,
1884	get them to shut off this music!
