POSTER OF THE RESEARCH

CODE SWITCHING USED BY BOY WILLIAM IN “BREAKOUT”

Nita Novita

2016130045

**Strata One (S1) English Language and
Culture**

BACKGROUND Code switching occurs in bilingual and multilingual when a person switches from one language, variety, or dialect to another one. People can do code switching in any kinds of situation and domain. Code switching phenomenon become a trend or style of speaking in society. This phenomenon affects the program in television, for example: Breakout Music Program. Therefore, the study is done by classifying the types of code switching as shown by Boy William and the factors influencing Boy William in applying code switching in his utterances.

OBJECTIVE

To find out the types of code switching found in Boy William’s utterances.

To find out the factors that causing Boy William to do code switching.

METHODS Qualitative approach and descriptive method is used to analyze code switching in Boy William utterances. The use of it is more appropriate for the writer because the source of the data are collected from Breakout NET Youtube channel.

BENEFITS The writer hopes this research can be useful for those who want to obtain a deep understanding and knowledge of sociolinguistics, especially the phenomenon of code switching which is related to the factors influencing the code switching.

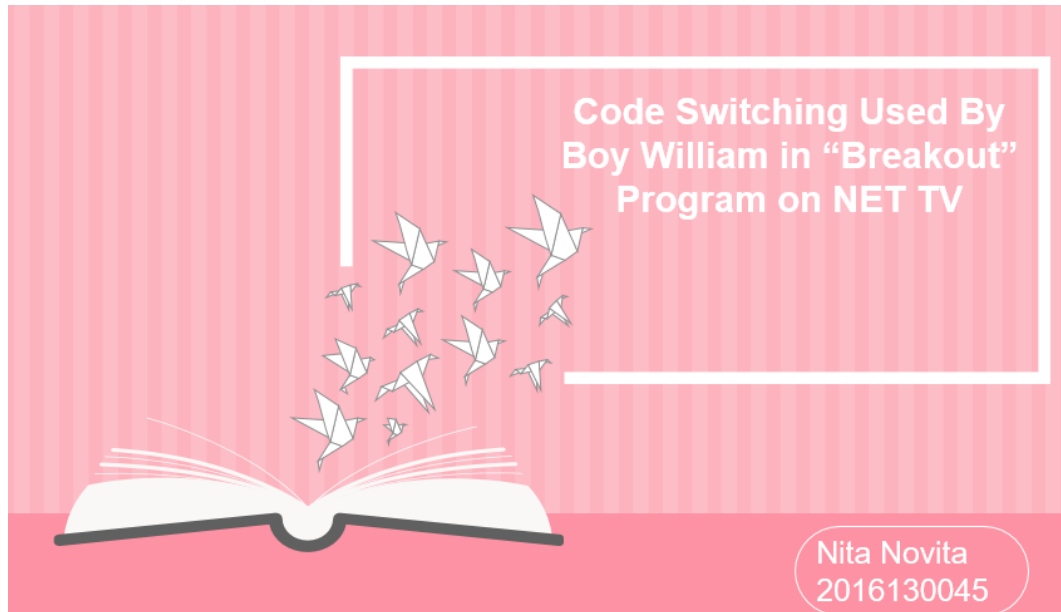

RESEARCH FINDING

Code Switching are used in this research in order to figure out the types of code switching and the factors influencing Boy William to do code switching in his utterances using methods and techniques.

CONCLUSION

The phenomenon of code switching is found easily in people’s daily communication. The writer found out the types of code switching used by Boy William in “Breakout” program on NET TV, those 15 data of intra-sentential, inter-sentential, and tag switching. The most commonly Boy uses those factors are participant and status, there are always in his utterance.
