### BENEFITS

Politeness is very affected to daily communication. I believe that this study will encourage people to be more aware of language, and avoid misunderstanding in communication especially about politeness in order to be capable of applying English expressions politely.

**BACKGROUND** Politeness is an important subject matter in communication. Politeness relates with the study of knowing the way people use a language while they are having interaction or communication. Moreover, the writer found out that politeness strategies influencing someone's politeness are important and also interesting to be explored. Therefore, the study is done by classifying the politeness strategies as shown by the main characters in *Little Women* movie which influence the main characters in applying the politeness strategies in their conversations.

### RESEARCH FINDING

Politeness strategies are used in this research in order to figure out the type of politeness strategies in *Little Women* movie by using methods and techniques.

### OBJECTIVE

To investigate what kinds politeness strategies used in the conversation of the main characters, Meg March, Jo March, Beth March and Amy March in *Little Women* movie.

To investigate politeness strategies which are mostly used by Meg March, Jo March, Beth March and Amy March in *Little Women* movie.

### CONCLUSION

Politeness is the act of having or showing manners and respect for others. I found out the types of politeness strategies used by the four main characters in *Little Women* movie, those are 16 bald-on record, 10 positive politeness, 7 negative politeness and 4 off-record. And Bald-on record strategy is the most frequency strategy that the main characters used in their conversation.

**METHODS** Qualitative method is used to analyze politeness strategies in this movie. The use of it is more appropriate for the writer because the source of the data is only from the movie script by collecting the data and analyze it.
