## ABSTRACT

After analyzing The 5th wave movie script through intrinsic approach which consist characterization by showing method, setting, plot and theme along the analysis through extrinsic approach by using depression theory, it can be conclude that this movie script picturing the survive attempt with depression during aliens attack in Cassie's character. Through this research, it's shows that Cassie is forced to survive in the wilderness full of The Others is the first problem that Cassie referred to depression followed by Cassie's father that died at the refugee camp. Cassie forced by fate to survive alone in the forest with minimal supplies alone because Cassie can't trust anyone because The Others have a physical body that is 100% the same as other humans. This loneliness makes Cassie depressed and her sense of humanity is lacking, and another factor that caused Cassie to be depressed was when at the refugee camp Cassie lost her dear father because her father was shot by irresponsible soldiers killing innocent humans. According to this research, It has potential for future research, according to this study, there are still very few journals or theses about the movie script The 5th Wave. The findings of this study can be applied to future studies on depression or studies involving the same item . Using the results of intrinsic and extrinsic approaches, I discovered the movie script's topic. Created way of characterisation presenting method, plot, and setting in intrinsic approach. All of the elements are elaborate. Cassie's character has been examined using the showing method.

## ABSTRAK

Setelah menganalisis script film *The 5th wave* melalui pendekatan intrinsik yang terdiri dari penokohan dengan menampilkan metode, setting, plot dan tema beserta analisis melalui pendekatan ekstrinsik dengan menggunakan teori depresi, dapat disimpulkan bahwa script film ini menggambarkan upaya bertahan hidup dengan depresi selama serangan alien di Cassie's karakter. Melalui penelitian ini, menunjukkan bahwa Cassie dipaksa untuk bertahan hidup di hutan belantara yang penuh dengan *The Others* adalah masalah pertama yang Cassie sebut sebagai depresi diikuti oleh ayah Cassie yang meninggal di kamp pengungsi. Cassie terpaksa oleh takdir untuk bertahan hidup sendirian di hutan dengan bekal yang minim sendirian karena Cassie tidak bisa mempercayai siapapun karena *The Others* memiliki tubuh fisik yang 100% sama dengan manusia lainnya. Kesepian ini membuat Cassie tertekan dan rasa kemanusiaannya kurang, dan faktor lain yang menyebabkan Cassie tertekan adalah ketika di kamp pengungsi Cassie kehilangan ayah tercintanya karena ayahnya ditembak oleh tentara yang tidak bertanggung jawab membunuh manusia yang tidak bersalah. Menurut penelitian ini, memiliki potensi untuk penelitian selanjutnya, menurut penelitian ini masih sangat sedikit jurnal atau tesis tentang script film *The 5th Wave*. Temuan penelitian ini dapat diterapkan untuk studi masa depan tentang depresi atau studi yang melibatkan script film item yang sama. Dengan menggunakan hasil pendekatan intrinsik dan ekstrinsik, saya menemukan topik tersebut. Menciptakan cara penokohan yang menyajikan metode, plot, dan setting dengan pendekatan intrinsik. Semua elemen rumit. Karakter Cassie telah diperiksa menggunakan metode showing.
