

CHAPTER 5

CONCLUSION

After analyzing “Wonder” movie script , through the intrinsic approach, which consists of point of view, characterization by showing methods, plot, setting and theme elaborate with analysis through the extrinsic approach by using an verbal bullying concept. It can be concluded that Auggie in “Wonder” movie script reflects verbal bullying theory. I have used the concept of verbal bullying to describe in “Wonder” movie script. The result of the intrinsic approach I elaborates with the extrinsic approach proves that the theme of this movie script is An Analysis of Verbal Bullying in “Wonder” Movie Script by Stephen Chbosky, this is because after I analyze the movie script shows of verbal bullying, such as a that explained in the previous chapter.

Auggie’s verbal bullying can be seen through Auggie's behavior and action. Auggie is a shy and smart character, where he becomes a victim of verbal bullying. The flaws in his face are always the subject of insults by his schoolmates. Auggie is shunned which makes him friendless, because they have not accepted his condition.. One of shows in movie script that someone has verbal bullying is they are bullies without feeling insulting to Auggie who was physically deficient. This setting of this movie script also reinforce verbal bullying and in this movie script the setting takes place in several places such as the school, classroom and the woods. Through this research, it has proven that verbal bullying is having the power to insult without thinking about the feelings of the victims of bullying. We do not have a normal face from others, it will bring a lot of insults with verbal bullying. That is one shows of verbal bullying. Auggie with a facial deformity that he was born with. The impact is very large in living daily life, especially at school. Feeling embarrassed when you just met someone you know, has a smart brain that makes classmates envious. All these behaviors reflected on Auggie. The moral teaching of this research is important for someone to hope that their relationship will be harmonious but also realize in life that it may not and continue to do so. Being a victim of bullying doesn't mean we are weak, it means

letting go of suffering, anxiety, and shyness that it will become someone to strong. Once we let go of these barriers to a healthy relationship, we will free ourselves to discover the true meaning of a relationship of mutual support, care and trust.

According to this research, it is potential for the next research to analyze Wonder movie script through other approaches or concepts. This research also can introduce the student of the English Language and Culture Department about verbal bullying in literary work. This research also can use as a comparison to write a better analysis.
