Title of Term paper : The Existential Feminist of Character Adunni in Abi Dares' Novel "The Girl With the Louding Voice"

Every woman wants to have the same rights as men in education and in work. In that term it is called "Feminist" where women will fight for their rights between women and men without any differences. Equal rights with men and women are often discriminated against Demanding equality of rights or what is more commonly known as gender equality is often misinterpreted as hatred against men. Even though we are not women who hate men, we just want to be respected and accepted just like men in any case. Women must fight for their rights and should not be oppressed by men .In the end our fellow human beings must respect eachother The discussion about theme literary work apply by two approaches, intrinsic and extrinsic approaches. Through the intrinsic approaches, the concept are, setting, plot and characterization. For the extrinsic approach I uses Simone de Beauvoir theory Feminist Existential. This term paper is variety of qualitative research, ,types of library research. Interpretative analysis using method by collecting data in the form of literary text from Abi Dares' novel as the primary source and supported by some of the books, journal, literature and internet website that relate with the concept. The feminist movement has a goal of achieving equality and equal rights and obligations that apply to all genders, namely women and men. Feminism is a women's movement that fights for emancipation or full equality of rights between women and men without any discrimination. And discrimination any gender without different.

Judul Skripsi : *The Existential Feminist of Character Adunni in Abi Dares' Novel "The Girl With the Louding Voice "*

Setiap wanita pasti ingin memiliki hak yang sama dengan laki laki dalam bidang pendidikan maupun pekerjaan. Terkadang mereka hanya ingin di dengar dalam mengeluarkan pendapat. Dalam istilah tersebut bisa disebut juga dengan Feminist, dimana para wanita akan memperjuangkan hak mereka tanpa perbedaan dan diskriminasi. Hak para perempuan sering diskriminasi oleh para pria mereka menuntut hak kesetaraan gender, meskipun ada beberapa wanita yang bukan seperti itu mereka hanya ingin dihormati dan dihargai dalam hal apapun. Wanita harus berjuang untuk hak mereka dan tidak boleh ditindas. Pada akhirnya kita sesama manusia harusnya saling menghormati dan menghargai sesama manusia tanpa melihat adanya perbedaan diantara mereka pada kaum perempuan. Diskusi tentang tema karya sastra yang diterapkan oleh dua pendekatan, intrinsik dan pendekatan ekstrinsik. Melalui pendekatan intrinsik, konsepnya adalah, pengaturan, plot dan karakterisasi. Untuk pendekatan ekstrinsik saya menggunakan Simone de Beauvoir teori Feminis eksistensial. Makalah ini adalah variasi penelitian kualitatif, jenis penelitian perpustakaan. Analisis interpretatif menggunakan metode dengan mengumpulkan data dalam bentuk teks sastra Abi Dares's sebagai sumber utama dan didukung oleh beberapa buku, jurnal, sastra dan situs internet yang berhubungan dengan konsep tersebut. Gerakan feminis memiliki tujuan untuk mencapai kesetaraan dan kesetaraan hak dan kewajiban yang berlaku bagi semua pria, yaitu wanita dan pria. Feminisme adalah gerakan wanita yang berjuang untuk emansipasi atau kesetaraan penuh hak antara wanita dan pria tanpa diskriminasi.
