Title : Revenge Reflected Through Personality Structure in Ian Graham in The Novel The Huntress by Kate Quinn

This study analyzes the revenge on the character of Ian Graham in the novel *The Huntress*. This analysis will combine an intrinsic approach and an extrinsic approach. Intrinsic approach filled with characterization, plot, and setting. In the extrinsic approach, I use Sigmund Freud's theory of personality and the concept of revenge. The method used is descriptive qualitative which explains all the data in describing the quotes taken in the novel in explaining revenge. In this study, I will explain how revenge influence Ian Graham in taking action to find the murder of his brother through the theory of Personality Structure by Sigmund Freud. From the theory of personality structure, we can find the *id*, *ego* and *superego* which describe actions in revenge of Ian Graham. This research shows that Ian's *id* describes his desire for revenge, Ian's *ego* who has to deal with a reality that is not on his side, and the role of Ian's *superego* in determining the best punishment for his brother's murderer.

Keywords: *Characterization, Plot, Setting, Revenge, Personality Structure.*

Penelitian ini menganalisis balas dendam pada karakter Ian Graham dalam novel The Huntress. Analisis ini akan menggabungkan pendekatan intrinsik dan pendekatan ekstrinsik. Pendekatan intrinsik diisi dengan penokohan, plot, dan setting. Dalam pendekatan ekstrinsik, saya menggunakan teori kepribadian Sigmund Freud dan konsep balas dendam. Metode yang digunakan adalah deskriptif kualitatif yang menjelaskan semua data dalam mendeskripsikan kutipan-kutipan yang diambil dalam novel dalam menjelaskan balas dendam. Dalam penelitian ini, saya akan menjelaskan bagaimana balas dendam mempengaruhi Ian Graham dalam mengambil tindakan untuk menemukan pembunuhan saudaranya melalui teori Struktur Kepribadian oleh Sigmund Freud. Dari teori struktur kepribadian, kita dapat menemukan id, ego dan superego yang menggambarkan tindakan balas dendam Ian Graham. Penelitian ini menunjukkan bahwa id Ian menggambarkan keinginannya untuk membalas dendam, ego Ian yang harus menghadapi kenyataan yang tidak berpihak padanya, dan peran superego Ian dalam menentukan hukuman terbaik untuk pembunuh adiknya.
