#### **FRAMEWORK OF THEORIES**

**I use the intrinsic theories to analyze the novel that are: Characterization, Plot, and Setting**

**The extrinsic approach that I use to analyze the characters are: Defense Mechanism (Sublimation and Aggression), and Anxiety from Sigmund Freud.**

#### **METHOD OF THE RESEARCH**

I analyze the novel through the intrinsic and extrinsic approaches. Through the intrinsic approaches I use these concepts: characterization, plot, setting. In the extrinsic part approach, I use defense mechanism (sublimation and aggression). This research is qualitative research which is a library research type.

#### **BACKGROUND OF THE RESEARCH**

Verity Crawford is a famous novelist in New York. She has written three books series, the last of which is not completed because she had an accident. Jeremy Crawford is Verity's partner. Jeremy and Verity have twin daughters named Chastin and Harper and one son named Crew. At the age of 8 years their twins died in a row, Chastin died of allergies. After six months after the death of Chastin, his twin brother, Harper, also died from drowning while playing in a boat with Crew and his mother. Since the incident that took her two daughters away, Verity has begun rewriting her autobiography which she deliberately makes as if she were a bad person

#### **CONCLUSION OF THE RESEARCH**

I conclude that the film has a hidden message of racism that experiences by Martha Cabrera as an immigrant from America Latin who gets bad treatment from Thrombey family who is wealth family and White People. The using of semiotic of Barthes and Saussure help to find the meaning through signs.
