1. BACKGROUND

Film is a literary work that uses visual communication with sound and moving picture, where contains a story that is structured and intact. Movies have many genres such as horror, action, adventure, comedy, crime, drama, science fiction, and film animation. Animated films are made from fast moving picture that have relationship with each other, and are taken continuously to produce a story. Before technology developed like today, animated films were painted on paper, where the pieces of paper interconnected and formed a story but had no sound. Toy Story is animated CGI film series begins in 1995 that where the actors in this animation are toys. In "Toy Story 4", many speech acts that we can find starting from the use of speech acts, and also the types of speech act expression that the players play. There are many theory of speech act. One of them are theory from Austin, he says that some sentences and the utterances have a function to perform action, in which it is called as performative sentences. It can refer to do apologizing, to agree or disagree, to make a statement, to declare something, etc.

2. OBJECTIVE OF THE RESEARCH

1. To find the utterances that are using expressive speech act in the *"Toy Story 4 (2019)"* Movie Script.
2. To explain the impacts of the use expressive speech act in the *"Toy Story 4 (2019)"* Movie Script.

3. FORMULATION OF THE PROBLEM

1. What are the utterances using expressive speech act in the *"Toy Story 4 (2019)"* Movie Script?
2. What are the impacts of the use expressive speech actin the *"Toy Story 4 (2019)"* Movie Script?

4. RESEARCH FINDING

To find the types of expressive speech acts used and the impact of using expressive speech acts act in this Toy Story 4 (2019) movie

5. METHODS

I use qualitative approach, descriptive analysis method. The object of the research that I use is "Toy Story 4" movie script which is on screen since 2019 by Andrew Stanton and Stephany Folsom. The film runs for 100 minutes, and directed by Josh Cooley. The data used are the utterances of each character in the movie script that can support the analysis.

6. CONCLUSION

Based on the findings, I found 33 data, and then classified them into eight kinds of expressive speech act, there are four expressions of apologizing, eight expressions of thanking, three expressions of congratulation, three expressions of deploring, five expressions of lamenting, seven expressions of welcoming, one expressions of forgiving, and two expressions of boasting. One of the impact of expressive speech act found is by expressing congratulation, the opposite of the character feels that what she has done feels appreciated, like one of the data when the Kindergarten Teacher expressed congratulation because Bonnie can make toys from recycled good, Bonnie feels happy for the toys she creates.
