Lidia Yonah

ABSTRACT

In late December 2019, an unidentified virus appeared, currently named COVID-19. This virus has caused a formidable outbreak in many cities in China and has expanded globally, such as the United States, the Republic of Korea, Japan, and also our country. It is necessary to see Joko Widodo's COVID-19 Indonesia's policy speech from the perception that he is the President of the Republic of Indonesia with his own power and ideology, who is called the number one in this country. This research aims to analyze language, power, ideology, and framing used by Joko Widodo in his speech about government policies in handling the COVID-19 pandemic. This research is conducted by using descriptive qualitative methods since the result of the data analysed is in some comments about the narrative. The object of this research is Joko Widodo speech. The result of this research is that Joko Widodo demonstrated his power and ideology in making policy decisions related to the COVID-19 pandemic throughout his speech. Through his speech, Joko Widodo uses various framing as a great and important policy to be known by the public. He framed himself in humanity, justice, and striving issues for the Indonesian people's prosperity.

Lidia Yonah

ABSTRAK

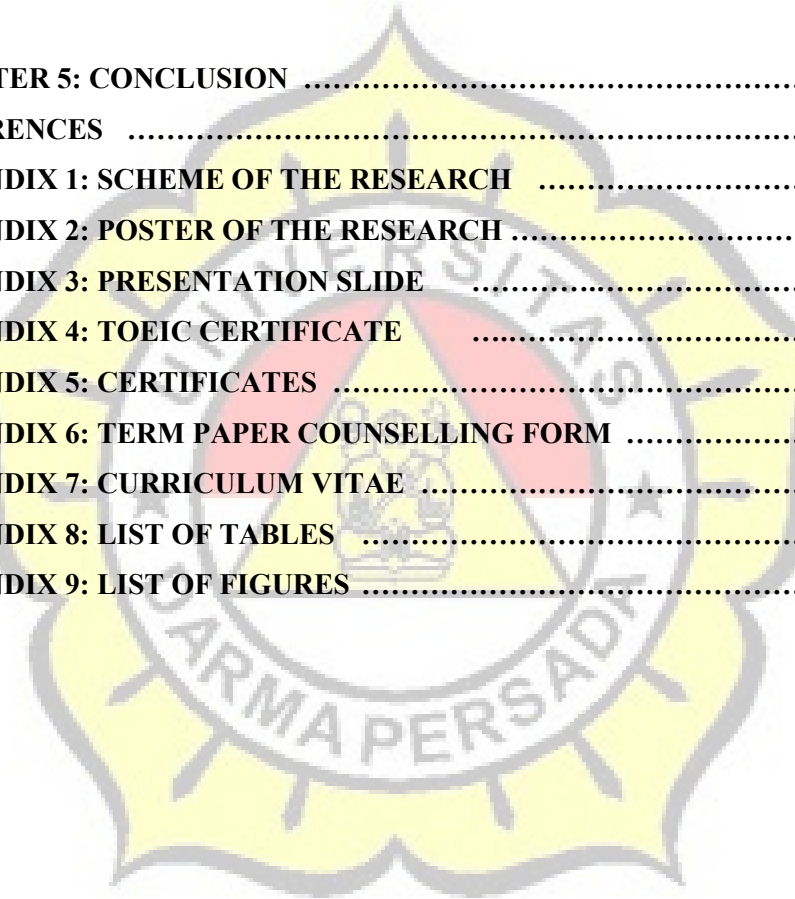

Pada akhir Desember 2019, sebuah virus yang tak dikenal muncul, saat ini dinamakan COVID-19. Virus ini telah menyebabkan wabah yang hebat di banyak kota di China dan telah meluas secara global, seperti Amerika Serikat, Republik Korea, Jepang, dan juga negara kita. Pidato Joko Widodo mengenai kebijakan COVID-19 di Indonesia perlu dilihat dari persepsi bahwa ia adalah Presiden Republik Indonesia dengan kekuasaan dan ideologinya sendiri, yang disebut juga sebagai orang nomor satu di negeri ini. Penelitian ini bertujuan untuk menganalisis bahasa, kekuasaan, ideologi, dan framing yang digunakan oleh Joko Widodo dalam pidatonya tentang kebijakan-kebijakan pemerintah dalam menangani pandemi COVID-19. Penelitian ini dilakukan dengan menggunakan metode deskriptif kualitatif karena hasil data yang dianalisis berupa beberapa komentar tentang narsi. Objek penelitian ini adalah pidato Joko Widodo. Hasil dari analisis menemukan bahwa Joko Widodo membuktikan kekuasaan dan ideologi dalam mengambil keputusan kebijakan terkait pandemi COVID-19 melalui pidatonya. Dari pidatonya tersebut, Joko Widodo menggunakan berbagai framing sebagai sebuah kebijakan besar dan penting untuk diketahui publik. Dia membingkainya dalam isu kemanusiaan, keadilan, dan perjuangan untuk kemakmuran rakyat Indonesia.
