Background of The Problem

People interact with others and do daily activities in society by using a language

Language in this life is very important, because we need language to express emotions, ideas, feelings, and thoughts.

Language style is the choice among the other alternatives in using language (Ducrot and Todorov, 1993, p. 44)

The study of language as it functions in society, or the study of the interaction between linguistic and social variables is called sociolinguistic.

Formulation of THE PROBLEM

- What language style are implemented in the "The Hate U Give" movie?
- What are the kinds of language style that reflect black people in "The Hate U Give" movie?
- What is the most frequent language style in the "The Hate U Give" movie?

Objective of The Problem

To find out language style implemented in "The Hate U Give" movie.

To identifying kind of language style that reflect black people in "The Hate U Give" movie.

To find out the most frequent language style in "The Hate U Give" movie.

METHOD OF THE RESEARCH

I use a descriptive qualitative method in this research . The descriptive qualitative method uses a technique of seeking, collecting, and analyzing data.

In this case, I explain and describe the data in more detail.

African American Vernacular English (AAVE)

CONCLUSION

There are only formal style, consultative style, casual style, and intimate style found. The types of the style occur dominantly is intimate style which represent 13 data.

Intimate style is also a language style that reflects black people.
