CONCLUSION
1
The purpose of this analysis is to determine the type of lexical cohesion used in Ariana Grande's song lyrics in the album Positions 2020 and also to determine the function of lexical cohesion used in song lyrics using Halliday and Hasan (1976) lexical cohesion theory.
2
In this analysis, I did not analyze lexical collocations because this study of lexical cohesion only focuses on the lexical repetition used by Ariana Grande in the song lyrics in the album Positions 2020. Specifically, the writer did not find all kinds of lexical cohesion in the lyrics of Ariana Grande's song on the album Positions 2020.
CONCLUSION
3
The lexical cohesion function used in Ariana Grande"s song lyrics in the album Positions 2020 is to emphasize, illustrate, strengthen, contribute to two sentences whose meanings are interconnected, and also to tell similarities through synonyms.
4
This research is expected to be used as a reference for further research, especially for researchers who are interested in this type of research; It is recommended to discuss lexical cohesin more deeply.
