THE USE OF SWEAR WORD
IN “THE END OF THE F*ING WORLD”**
SERIES SEASON ONE MOVIE SCRIPT

ABSTRACT

This study aims to analyze the types of swear words and intention of swear words using descriptive qualitative approaches. This research contains two types of data sources, primary data and secondary data. For the primary data I collect the data from movie script from “The End of The F***ing World” series season one. for the secondary data I use two theories from different experts, to analyze the Type of swear I use theory by Wardaugh (2006) and to analyze the Intention of swear I use theory by Searle(1969). There are seven types of swear from Wardaugh theory but I use five types of swear such as : excretion term, animal term, death term, body part term, and sex term. For the Intention of swear I use speech act theory by searle there are five classification such as : Assertives, Directives, Expressives, Declarations, and Commisives. All the theory that I use is related to the Study of Linguistics where swear words become one of the way of communicating. The Series “The End of The F***ing World” shows how swear words effect the way people communicate, In this series the character Alyssa often use swear words and people get offended by her for saying swear words. “The End of The F***ing World” is a good data sources for me because contains many expression of swear words that I can analyze in this research. This research is expected to be very helpful in understanding the use of swear words in “The End of The F***ing World” series season one movie script.

DALAM “THE END OF THE F*ING WORLD”**
SERIES SEASON SATU NASKAH FILM

ABSTRAK

Penelitian ini bertujuan untuk menganalisis jenis kata makian dan maksud dari kata umpatan menggunakan pendekatan deskriptif kualitatif. Penelitian ini terdiri dari dua jenis sumber data, yaitu data primer dan data sekunder. Untuk data primer saya mengumpulkan data dari naskah film “The End of The F***ing World” serial season satu. Untuk data sekunder saya menggunakan dua teori dari para ahli yang berbeda, untuk menganalisis Tipe swear saya menggunakan teori Wardaugh (2006) dan untuk menganalisis Intention of swear saya menggunakan teori Searle (1969). Ada tujuh jenis umpatan menurut teori Wardaugh tetapi saya menggunakan lima jenis umpatan yaitu: istilah ekskresi, istilah hewan, istilah kematian, istilah bagian tubuh, dan istilah persetubuhan. Untuk Intention of swear saya menggunakan teori tindak tutur menurut Searle ada lima klasifikasi yaitu : Asertif, Direktif, Ekspresif, Deklarasi, dan Komisi. Semua teori yang saya gunakan berkaitan dengan Studi Linguistik dimana kata-kata umpatan menjadi salah satu cara berkomunikasi. Serial “The End of The F***ing World” menunjukkan bagaimana kata-kata umpatan mempengaruhi cara orang berkomunikasi, Dalam serial ini karakter Alyssa sering menggunakan kata-kata umpatan dan orang-orang tersinggung olehnya karena mengucapkan kata-kata umpatan. “The End of The F***ing World” merupakan sumber data yang baik bagi saya karena mengandung banyak ungkapan kata-kata umpatan yang dapat saya analisis dalam penelitian ini. research ini diharapkan dapat sangat membantu dalam memahami penggunaan kata umpatan dalam naskah film “The End of The F***ing World” serial season satu.
