POSTER OF THE RESEARCH

SPEECH ACT ANALYSIS OF THE MAIN CHARACTERS IN AQUAMAN MOVIE SCRIPT

AUTHORS

Maryono : 2018130001

1

BACKGROUND OF THE PROBLEM

Speech Acts are also called acts of communication used to express certain attitudes. In speech acts, there are important things that must be considered, namely the meaning expressed so that the listener does not misunderstand the content of the message conveyed.

2

FORMULATION OF THE PROBLEM

1. How is the locutionary analysis of the three characters in the Aquaman film based on the movie script?
2. How is the illocutionary analysis of the three characters in the Aquaman film based on the movie script?
3. How is the perlocutionary analysis of the three characters in the Aquaman film based on the movie script?

3

RESEARCH METHOD

This research approach is qualitative research. The purpose of qualitative research is to understand something specifically, not always look for cause and effect of something and deepen understanding of something being studied. The object of this research is the film "Aquaman". The film was released in 2018. Produced by DC Entertainment and Peter Safran Productions, and distributed by Warner Bros. In this research, I apply the documentation technique to collect the data.

4

RESEARCH FINDING

In this study, from forty data found locutionary and illocutionary speech acts were the most found each forty data. And perlocutionary speech acts there are thirty-three data.

5

CONCLUSION

All types of speech acts occur in Aquaman Film. Locutionary and illocutionary speech acts are the most frequently found for each of forty data. And for perlocutionary speech acts there are thirty-three data.
