<p>AN ANALYSIS OF EXTERNAL CONFLICT OF MAIN CHARACTERS IN THE MOVIE SCRIPT “JURASSIC WORLD FALLEN KINGDOM” (2018) BY DEREK CONNOLLY TERM PAPER</p>		
<p>TRI WULAN MILENIA 2018130111</p>		
<p>BACKGROUND</p> <p>Conflict is a situation in which two or more people disagree over issue of organizational substance and/or experience some emotional antagonism with one another.</p> <p>The conflicts experienced by the main character in the film Jurassic World: Fallen Kingdom is also worth <u>analysing</u>.</p> <p>Along the way of the story in the film, one conflict to another conflict builds up into tension. Owen and Claire, as the main characters in the film, have to struggle oppositions and conflicts of interest from other parties for their missions.</p> <p>The focus of this study is on the conflicts faced by the main characters, Owen, Claire, and Maisie, and how they overcome the conflicts.</p>	<p>RESEARCH FINDING</p> <p>Based on the results of the analysis of external conflicts that have been carried out, I find man against man and man vs nature conflicts. In this chapter, there are three types of external conflicts experienced by three characters, namely Owen Grady, Claire Dearing, and Maisie Lockwood. This conflict is described in the plot, and will be described in five stages. There are Exposition, Rising Action, Climax, Falling action, and Denouement.</p> <p>Based on the results of the analysis of external conflicts that have been carried out, the authors also analyze the conflict resolution which happened to the characters. According to the conflict resolution that consist of five aspek: <u>Avoiding</u>, <u>Accomodating</u>, <u>Compromising</u>, <u>Competing</u>, <u>Collaborating</u>, the authors are not found all of that, but just three aspect that relate to the conflict external, and there are the conflict resolution.</p>	
<p>FORMULATION OF THE PROBLEM</p> <ol style="list-style-type: none"> 1. What are the main characters external conflicts caused by the other character in the movie “Jurassic World Fallen Kingdom”? 2. How are the main characters overcome the conflicts in the movie “Jurassic World Fallen Kingdom”? 	<p>CONCLUSION</p> <p>The conflict studied is an external conflict. In external conflict, researchers found two types of conflict, namely man versus man and man versus nature. The man versus man conflict happened on Owen <u>Graddy</u>, Claire Dearing, and Maisie Lockwood with Eli Mills who known as the right-hands of Benjamin <u>Lockwoods</u>, and Ken Wheatley who known as the right-hands Eli Mills. Meanwhile the man versus nature happened on Owen <u>Graddy</u> and Claire Dearing with the eruption of Mt. <u>Sibo</u> and the dinosaurs at Isla <u>Nublar</u>.</p> <p>Also, there are four conflict resolution that found. There are three conflict resolution found in man versus man conflict namely, <u>accommodating</u>, <u>avoiding</u>, and <u>compromising</u>. In the man versus nature there are two conflicts resolution found, namely <u>collaborating</u> and <u>avoiding</u>. The most common conflict resolutions are <u>accommodating</u> and <u>collaborating</u>.</p>	
<p>METHOD OF THE RESEARCH</p> <p>Research approach that used in this paper is content analysis. The method of this research was qualitative method. The object of the research is the three main characters in the movie script. They are Claire Dearing, Owen <u>Graddy</u>, and <u>Maisie</u> Lockwood. The technique of the data collection that will be done in this research, as the followings: 1) downloading the film script; 2) watching film repeatedly; 3) reading the script and marking sentences. The steps of techniques of data analysis as followings 1) Identifying and classifying data; 2) Describing data; 3) Analyzing data; 4) Making conclusion</p>

LISTENING

Your scaled score is between 200 and 400. Test takers who score around 200 typically have the following strengths:

- They can sometimes infer the overall main purpose, and basic content of short spoken exchanges, especially when the vocabulary is not difficult.
- They can understand the overall idea, key points, and basic content of extended spoken texts, if the information is supported by repetition or paraphrase.
- They can understand content in short spoken exchanges when easy or medium-level vocabulary is used.
- They can understand content in extended spoken texts when the information is supported by repetition and when the key words and/or phrases at the beginning or end of the spoken text.
- They can understand details when the information is slightly paraphrased.

To see what skills typical of test takers who score around 200, see the "Proficiency Description Table" of your score range in scores 200-400. You should also review the descriptions for test takers who score below 200.

READING

Your scaled score is close to 200. Test takers who score around 200 typically have the following strengths:

- They can make simple inferences based on a limited amount of text.
- They can locate the correct answer to a factual question when the language of the text matches the information that is required. They can sometimes answer a factual question when the answer is a simple paraphrase of the information in the text.
- They can spot basic content information within one or two sentences.
- They can understand easy vocabulary, and they can sometimes understand medium-level vocabulary.
- They can understand content, but they can miss important structures. They can make correct grammatical choices when other features of language, such as difficult vocabulary or the need to infer information, are present.

To see what skills typical of test takers who score around 200, see the "Proficiency Description Table."
