

## BAB IV

### KESIMPULAN

Pada bab akhir skripsi ini, penulis akan memaparkan kesimpulan yang dapat diambil dari hasil penelitian. Berdasarkan jawaban dari kuesioner yang telah penulis lakukan, penulis dapat menarik kesimpulan sebagai berikut.

Sebagai sebuah hasil teknologi modern hasil globalisasi, internet telah menjadi sebuah alat yang berperan sangat penting dalam kehidupan keseharian manusia, menggunakan internet sebagai alat untuk melakukan komunikasi, mencari informasi, atau bahkan sebagai alat hiburan. Dalam penggunaan internet, istilah *weeaboo* dan *otaku* menjadi dua istilah yang sering digunakan ketika membahas hal-hal yang berhubungan dengan kultur modern Jepang, seperti *anime*, *manga*, *cosplay*, *J-Pop*, atau bahkan *video game* dari Jepang. Globalisasi, khususnya internet menjadi pemeran utama dalam penyebaran dan penggunaan istilah *weeaboo* dan *otaku*. Internet, juga menjadi pemeran utama dalam penyedia informasi seputar *weeaboo* dan *otaku*.

Dengan adanya informasi seputar *weeaboo* dan *otaku* di internet, sebagian kaum muda Indonesia menjadi mengetahui definisi dari istilah *weeaboo* dan *otaku*. Pengetahuan akan hal ini juga mempengaruhi penggunaan kedua istilah tersebut, baik benar maupun salah. Hal ini menunjukkan bahwa globalisasi, khususnya internet memiliki pengaruh dalam pemakaian istilah *weeaboo* dan *otaku* yang baik dan benar oleh kaum muda Indonesia.

Salah satu faktor lain yang mempengaruhi penyalahgunaan salah satu atau kedua istilah tersebut adalah tingkah laku dari kaum muda yang mencintai budaya Jepang, dan istilah *otaku* dan *weeaboo* keduanya berhubungan dengan kultur modern Jepang. Istilah *otaku* yang seharusnya digunakan hanya untuk orang yang mencintai suatu hobi, tanpa ada stigma buruk apapun menjadi memiliki stigma buruk seperti istilah *weeaboo*. Sebelum adanya istilah *weeaboo*, kaum-kaum muda Indonesia yang mencintai budaya Jepang memberi label *otaku* pada diri mereka atau kelompok mereka. Lalu dengan munculnya istilah *weeaboo* dan tingkah laku

para kaum muda yang melabeli diri mereka *otaku* yang tergila-gila pada budaya modern Jepang menyebabkan istilah *otaku* menjadi memiliki stigma buruk yang sama seperti istilah *weeaboo*, dan menyebabkan istilah *otaku* menjadi disamakan dengan istilah *weeaboo*.
