### **CLOSING**

#### **5.1 Conclusion**

Internship is one of subject in English Diploma III Program that must be taken by all of Diploma III student as a graduate requirement and to obtain the Associate's Degree applied by Faculty of Letter of Darma Persada University, especially in English Diploma III Program. This internship has purpose as a media for students to apply their knowledge and skills obtained during studying in University and to adapt with the real workplace. Furthermore, internship is an opportunity for students to expand their soft skill and hard skill in dealing with the real workplace in order to get the best graduates who will be able to compete in the global market.

After doing an internship at the Sub-Department of Tourism and Creative Economy of East Jakarta I got a lot of very valuable things, such as:

1. I can adapt and interact with the real workplace and understand the different characters of people.
2. Get the new experiences and knowledge about the real workplace and how to work in team.
3. Understand the work system of Sub-Department of Tourism and Creative Economy of East Jakarta, especially in Administration division.
4. Find out that Sub-Department of Tourism and Creative Economy of East Jakarta is very important to develop and supervise all of tourism site in East Jakarta. Sub-Department of Tourism and Culture of East Jakarta also conserve the original culture of Jakarta by performing in every event or festival to introduce the public.

In this case, carrying out the internship in Sub-Department of Tourism and Creative Economy of East Jakarta is a very appropriate choice for me. They give

me an opportunity to learn something new every day. I can also develop the potential that I have. I hope that Sub-Department of Tourism and Creative Economy of East Jakarta always deign to provide an opportunity for other student to do internship in their office.
