

CHAPTER V

CLOSING

PKL / Internship activities at SD Athena Bekasi are very giving a learning experience for college student by being given the opportunity to go directly to teaching. PKL activities take place smoothly according to the purpose and the needs of the school community. Although there are some obstacles, however the school always guides college student to continue and provide positive input so that these obstacles can be overcome. Benefits obtained during carrying out PKL / Internship activities at SD Athena Bekasi is an opportunity to experience being a very good teacher extraordinary. Here we learn a lot about the meaning of educating and how to do it educating students coupled with very enthusiastic student responses in participating in the entire series of street vendors' activities held. Besides Therefore, the guidance and direction from the principal and teachers of the Athena Bekasi Elementary School is a very valuable provision for us before our future become a real teacher.

5.1 Suggestion

From the implementation of PKL / Internship activities carried out at SD Athena Bekasi, the author conveys several suggestions that if it can be done, for:

College Student:

1. Don't waste the opportunity of street vendors for things that are less useful, take advantage of this opportunity to learn as much as possible because of this activity we will get an extraordinary experience.
2. Prepare yourself as best you can to face the conditions that maybe out of mind.
3. More self-control when dealing with poor students cooperative when learning takes place.
4. Maintaining the good name of Dharma Persada University wherever it is, especially in the location of street vendors.

5. Maintain a relationship with the school where the street vendors are when the street vendors have done.

School Side:

1. Provide more guidance to students because students still in the learning process and still lacking in terms of experience.
2. Following up on programs that have been implemented with activities that sustainable.

Dharma Persada University

1. The Dharma Persada University should socialize more about how the technical implementation of street vendors will be carried out, especially if there is a change implementation rules of the PKL.
2. Provide a mature provision for students before being deployed directly to the location of street vendors
