

# CHAPTER I

## INTRODUCTION

### 1.1 Background of the Internship

The Indonesian nation expect Generation Z to Improve the country in variety of areas, including moral.

One of the ways who wants to skilled via Intership program inn the field or the world of work learns is through in the intership program that diploma III students participate in.

Student were enroled in Diploma III final semester,including Japanese and English dept have to finish this intership activity as theris final assignment. By having students participate in work activities at an agency or a company though they may put the theory or knowledge they have been studied from letures into reality.

The writer did an Intership Program as a final assignment in the 6<sup>th</sup> semester at PT.BERSAUDARA INTI CORPORA,a company involved in the export – import industry.in moreover, the writer was indeed given the opportunity to work in the real world, because the writer also wants to improve the knowledge which has been obtained from the lecturer.and choose PT.BERSAUDARA INTI CORPORA for a three month intership. The Company also needs someone who is fluent is in English because suppliers from other nation may only use English and Mandarin language.this is because the company is dealing in the export- import of raw material,including:

1. Aluminium foil
2. Papers
3. Resins and the others

When company gave me a quick introduction to of the company,the told that they require and wanted me to join with Puchasing Import department ath the office is located at Kembangan,West Jakarta. For 90 days or 3 month.
