## ABSTRACT

The research approach used to analyze the data is characterization, plot, setting. While the concept of abusive behavior as an extrinsic approach is used to analyze the data. The research approach used in this study is a qualitative approach. This research was conducted using a qualitative descriptive method, because the results of the data analyzed were in the form of descriptive phenomena such as words, sentences and language. The object of this research is the movie script "Hillbilly Elegy" by J.D Vance. The data for this research were collected from conversations in the movie script "Hillbilly Elegy" by J.D Vance. The results of this study are as follows, describing the characters of the three characters in the movie script "Hillbilly Elegy", describing the abusive behavior carried out by one of the characters as well as a reflection of the abusive behavior contained in the movie script "Hillbilly Elegy".

*Keywords: Abusive Behavior, Movie script, J.D Vance, Reflection, characterization*
