ABSTRACT

The study concerned with discussing about slang word used in Travis Scott lyrics of song. The research design of this study is descriptive qualitative. In this study, the theory of word-formation process by George Yule process(1986) in his book “the study of language” is used to analyze the formation process of each slang word. In detail, this study statement to answer two research problem: (1) what is the type of slang word used by Travis Scott in lyrics, (2) what is the dominant slang word found in Travis Scott lyrics of song. The data were thought document analysis, the research tried to find and identity the slang word in lyrics by marking, finding and analyzing the slang word. The result shows that from 90 data for taken, not all process of slang word-formation appear in the lyrics eight process of slang-word formation found in this lyrics. on other hand, the process of slang word formation that are used in the lyrics are clipping (48%), blending (7%), coinage (23%), borrowing (1%), and compounding (3%), multiply procces (6%), conversion (6%), acronym (6%). The most dominat song I found in Sicko Mode song, and the most dominant slang word in Travis Scott lyrics is clipping, because clipping occurs when a word or more than one syllable is reduced to a shorter form.
